Subject: EAGLE Awards

Dear Desiree,

Congratulations! City of Carson was chosen as a recipient of the 2023 EAGLE Awards. Your project, *Visual Claims Mapping Tool*, was selected as a recipient for the Innovation and Excellence in Development and Implementation of Best Practice category. The Member Services Committee felt this project is a stellar example of innovation that should be shared with all PRISM members as a best practice, so that other members may learn from it and reduce risk across their organizations.

All winners will be announced and your award will be presented as part of the PRISM Board of Directors meeting October 4th – 6th in Monterey, CA. We hope you can attend in person, and PRISM will pay for your travel expenses according to our [travel policy!](#)

We would also like to present you with your EAGLE Award in front of your own Governing Board of Directors if you so choose. If so, please forward possible dates and times of meetings after October 10th, so we can coordinate our calendar.

Again, congratulations!
