Banner Permit Application

GENERAL REQUIREMENTS:

- Displays may be exhibited in connection with grand openings and other special events.
- Requests for such displays shall be submitted in writing to the Planning Division 30 days prior to the event. *Note: If Code Enforcement is involved, the display date will begin from the date of their notice or citation.*
- One banner per event. Displays shall provide a minimum of 7 foot clearance, must be adequately maintained, and shall be removed at the end of the approved display date.
- A list of prohibited signs, which are not allowed under any circumstance, can be found on the back of this form.
- All approvals shall be limited to no longer than 60 consecutive days at any one time with a minimum of 30 days in between display periods. A maximum of 150 days of display period is permitted per calendar year. Separate fees shall be paid for each display period. The Planning Division reserves the right not to issue future banner permits if a display period is violated.
- The approved application and site plan must be posted at the business during the approved display period.
