CITY OF CARSON PLANNING DIVISION

Business Sign Application

Please complete information below and submit 3 (three) detailed plans on 8½" x 11" paper, including, but not limited to the following:

- Site plan showing dimensions of subject property lines, location of buildings and structures, and proposed sign location(s).
- If building mounted sign:
 - Show building footprint and elevation.
 - Show proposed placement on building and define the color, style, construction materials and method of illumination along with the method of attaching the sign to the building.
- If free-standing sign:
 - Show the position of the sign and its relation to adjacent building structures, traffic control devices, and other free-standing signs.
 - Show the proposed height, size, dimensions, color, style, construction materials and method of illumination of each free-standing sign and supporting structure.
 -
