OTHER INFORMATION: Per Government Code Section 50270, the membership of each such City Selection Committee shall consist of the Mayor of each city within the county. Members of the LA County City Selection Committee include the Mayor of each city within Los Angeles County. Each city appoints an elected official as a delegate to the City Selection Committee; it usually is the Mayor. The term of office for each Member of the LA County City Selection Committee coincides with City Mayor terms, and the Committee meets three or four times a year, at the call of the Chairman. Their duties are to appoint City representatives to such Boards, Commissions and Agencies as may be required by law, i.e., LAFCO, South Coast Air Quality Management District, Los Angeles County Metropolitan Transportation Authority, Los Angeles County Hazardous Waste Management Advisory Committee; and to nominate for appointment Members to the California Coastal Commission.

Nominations for the City Selection Committee appointees to the MTA are made by the Sector Subcommittees for the Sectors whose representatives' terms are expiring. The cities assigned to one of the four regions in Los Angeles County.

OTHER INFORMATION: The County Library Commission was formed by order of the Board of Supervisors in 1994 and was composed of 15 members appointed by the Board. Prior to 1994, Regional Library Councils in the 5 County Library Regions provided the opportunity for citizen participation and input regarding County Library operations. In 1996, the Board of Supervisors ordered the Commission to be restructured following a proposal developed by a working group of representatives of involved agencies. The new Library Commission has 20 members. Ten commissioners are selected by the City Selection Committee of representatives of the cities served by the County Library; selections to be made from among elected city council members in those cities; and ten commissioners appointed by the Board of Supervisors, two by each Supervisor. This action created a Commission which represents both the unincorporated areas and the cities served by the County Library.

Item 41 - Update of
Delegates, Alternates
and Members to City-
Affiliated Organiza-
tions

City Attorney Watson reported on a written opinion from the County Counsel regarding the Mosquito Abatement District. It was ruled that although an individual previously serving as an elected official left office, said individual can remain a member of the district for the term originally appointed. Said report was given in response to a previous inquiry raised.

Mayor Calas appointed the following individuals to City-Affiliated Organizations:

<u>ORGANIZATION</u>	<u>DELEGATE</u>	<u>ALTERNATE</u>

Southwest Area Planning Council	DeWitt	Egan

U.S. Conference of Mayors	Mayor	Mayor Pro Tem

Discussion ensued regarding a recent incident where due to the reorganization of elected officials, the City was not represented with a voting delegate at the U.S. Conference of Mayors due to the Mayor's inability to attend. The feasibility of reorganizing City-Affiliated Organizations directly after the reorganization of Council with sufficient notification to the respective organizations was discussed in an effort to prevent such a situation in the future.

It was moved to set a policy wherein appointments to City-Affiliated Organizations are made at the first Council meeting following the reorganization of the Council with the City Clerk instructed to then notify each respective organization of the changes and that at any time it becomes necessary for the Mayor Pro Tem to represent the Mayor at a conference sufficient notification be given to the respective organization to ensure that the Mayor Pro Tem is recognized as the voting delegate for the City on motion of Muise and seconded by DeWitt.

Mayor Calas requested that the City Clerk direct correspondence to Mr. Bridgers informing him of his reappointment to the Southeast Mosquito Abatement District.

The foregoing motion as offered by Muise and seconded by DeWitt was unanimously carried.
