## ***IMPORTANT - PLEASE READ***

### **NOTICE OF CONSTRUCTION**

Avalon Boulevard Pavement Reconstruction I405 freeway to 223<sup>rd</sup> Street  
Project No. 1330 – Federal No. 5403(023)

Dear Resident and Property/Business Owner:

IN AN EFFORT TO KEEP YOU INFORMED, WE WOULD LIKE TO SHARE THE FOLLOWING INFORMATION WITH YOU.

The City of Carson has contracted with All American Asphalt to resurface Avalon Boulevard. *Please see location MAP on back.* This project entails construction of new pavement and striping, and minor concrete sidewalk improvements including curb, gutter, sidewalk, access ramps and cross gutter.

The contractor, All American Asphalt, has already begun work on this project. During the month of October, only day shift work is being performed, from 7:30 a.m. to 3:30 p.m. Monday through Friday. During the month of November, only night shift work will be performed and will take place from 8:00 p.m. to 5:00 a.m. Monday through Friday. Weekend work may occur, however, it is not expected and all attempts will be made to minimize this. Work began on October 13, 2014 and it is anticipated that work will be completed before the Thanksgiving holiday.

Although inconveniences are associated with public improvement projects, it is our goal to complete this work in the most expeditious manner and with minimum inconvenience to residents and businesses. All driveways will be open at all times during construction. Your cooperation in observing all traffic control, parking restrictions, and flagmen is greatly appreciated.

We will work with the City's Integrated Waste Management Section to ensure that your refuse is collected on its regular collection day.

Thank you for your assistance while we work to improve the City of Carson. If you have any emergency or extenuating circumstances, please let us know so that we may work with you.

For more information, please check the City of Carson Web Site <http://ci.carson.ca.us>, click on construction projects or please call one of the following Representatives on site:
