The City Council is the legislative branch of the city’s government. The Council meetings are a public forum where the City Council makes laws, policies, and decisions that govern the City of Carson.

FORM OF GOVERNMENT

General Law City

A General Law City operates under the general laws of the State of California, with legislative direction approved by the Mayor and Carson City Council.

The elected officials of Carson include the Mayor, four City Councilmembers, the City Clerk, and City Treasurer. All serve four-year terms. Staggered elections are held every two years in March, with the seats of Mayor and two Councilmembers on alternate ballots from the seats of the other two Councilmembers, City Clerk, and City Treasurer.

The Mayor is directly elected by the general electorate. The Mayor and City Council select a Councilmember each March to serve as Mayor Pro Tem.

ADMINISTRATION

Carson is one of more than 300 California cities operating under the City Council/City Manager form of government.

Under this system, the City Council appoints an experienced, professional City Manager whose responsibilities include enforcement of ordinances, preparation of the annual budget, long range study, and planning and general management of the city’s affairs. All of the city’s operations, whether performed by city personnel or through contractual arrangements, are coordinated by the City Manager into a unified and effective program for public services.
