FRAUD HOTLINE

The City of Carson has established a Fraud Hotline to fight fraud and protect taxpayer's dollars. The Hotline is an option for anyone wishing to anonymously report illegal or unethical activity on the part of the City, its officials, employees, contractors or vendors. The Hotline is open 24 hours a day, 7 days a week and interpreters are available in 20 different languages.

Calls placed to the Hotline are confidential and handled by a third party vendor. You do not have to give your name and your call is not recorded through the use of recording devices, caller identification equipment or any other means.

The City of Carson has taken a pro-active step against fraud by establishing the Hotline. In the event that you become aware of unethical, illegal or irresponsible activity, don't ignore it. Call the Fraud Hotline toll-free telephone number at 1-877-7 HOT TIP or 1-877-746-8847.

CITY OF CARSON POSITION STATEMENT

Carson is a vibrant city with a small town atmosphere where relationships are important. This is clearly visible throughout the community, from the stable single family neighborhoods, which make up nearly eighty percent of the city's residences, to the partnership between businesses and volunteer driven agencies which strengthen the city's remarkable social fabric.

The social composition of Carson is California in miniature. It is a city with a balanced ethnic and cultural mix living together in harmony and prosperity.

The community takes pride in the large percentage of Carson students who attend college, many to California State University, Dominguez Hills, a valuable asset to the city.

Carson's strategic position in the heart of the powerful economic engine that is Southern California attracts international corporations which recognize the city's bright future. The city's proximity to the West Coast's two major ports, as well as its intersection by four Southland freeways, makes it a major gateway to the Pacific Rim.

We, the people who live and work in Carson, take pride in our city and will continue to build relationships which ensure that future.

FAQS

HOW DO

YOU

WANT CARSON TO LOOK IN 20 YEARS?

WHAT IS THE GENERAL PLAN?

The General Plan is a 20 year framework for the City's future. The plan informs current and future decision makers where we've been, where we are today, where we want to go, and how we intend to get there.

6 FACTS ABOUT THE GENERAL PLAN

- 1 Defines the City's biggest assets and challenges for the future.
- 2 Makes recommendations about the type and character of development appropriate in different areas in the City.
- 3 Recommends and prioritizes policies, actions and resources to achieve the visions of the plan.
- 4 Serves as the guide for growth (development and redevelopment).
- 5 Provides recommendations to the City in developing future capital budgets.
- 6 Serves as a guide for future zoning recommendations throughout the City.

WHY IS A GENERAL PLAN REQUIRED?

California state law requires each city and county in California to adopt a "comprehensive, long-term general plan." The purpose is to plan for important community issues such as new growth, housing needs, and environmental protection. A general plan is used to project future demand for services such as sewer, water, roadways, parks, and emergency services.

WHAT GOES INTO THE GENERAL PLAN?

A general plan addresses seven core topics: Land Use, Circulation, Housing, Conservation, Open Space, Noise, and Safety. Carson's General Plan will also include additional elements that cover topics such as community character, the economy, and community health and sustainability.

WHY IS THE PLAN BEING UPDATED?

Carson's existing General Plan was adopted in 2004, and now needs to be comprehensively reexamined to ensure that it reflects the city's goals and priorities for the next 20 years. Some of the objectives of the existing General Plan have been met, and new opportunities and challenges have arisen. The update provides Carson with an opportunity to take stock of its successes and chart a course for a new era of development.

HOW CAN I GET INVOLVED?

You can provide ideas and suggestions by coming to meetings and workshops, writing to the City, and participating in whatever ways are convenient for you.

GET INVOLVED!

Q&A UCHENNA NWOSU

Interview conducted by Dani Cook

FROM DEL AMO PARK TO THE CHARGERS - HOMEGROWN PLAYER, PLAYING AT HOME

Photo courtesy of:
Tim Tesselone, USC Sports Information Director

Photo courtesy of: Uchenna Nwosu

Q: Congratulations on being drafted by the Chargers! What was it like getting that phone call on draft day?

A: It was literally the best feeling in the world! Words really can't describe how I felt. I was just happy I got the call I'd been hoping for.

Q: We're guessing there will be a lot of Nwosu jerseys in the stands at StubHub on Sundays. Describe what it will be like playing your home games right here in Carson.

A: It will be very exciting. I can't wait to be able to play football in my home town. My family will easily be able to come to my games, which means a lot to me, and I know I'll receive a lot of support from fans. I feel very blessed and grateful to play where I grew up.

Q: We understand you spent some time playing at Del Amo Park. Tell us a little about what your childhood in Carson was like. Any favorite memories?

A: My childhood in Carson was pretty entertaining. I played a lot of sports, including basketball, football, and soccer. I spent most of my childhood running around Del Amo Park. I even played flag football there at one time. All of my best childhood memories were spent right here in Carson.

Q: Who was your favorite athlete when you were growing up? What did you admire about him/her?

A: My favorite athlete was Kobe Bryant. I admired how committed he was to the game, how good he was, and how hard he played.

Q: Who are some of the positive influences in your life? How did they help shape you?

A: My dad is a major positive influence in my life. He taught me what it's like to be a man and he always led by example. He taught me the value of hard work and setting goals for myself. I could not have made it through college and to the NFL without his support.

Photo courtesy of Mike Nowak & the Los Angeles Chargers.

Q: Do you have any favorite restaurants here in Carson?

A: Carson Buffet is one of my favorite restaurants in Carson. My family went there frequently while I was growing up.

Q: What can football fans expect from you on the field?

A: Football fans can expect a player who's going to give them everything that he's got to help them win a Super Bowl.

Q: Off the field, how do you plan to engage with the community? Are there any causes or charities that are near and dear to your heart?

A: I hope to get involved with charities for diabetes. I would also like to set up youth football camps in Carson. I recently volunteered with some local kids at a football camp and I would like to continue doing that kind of work in my own city.

Q: What message do you have for the kids growing up in Carson?

A: Stay humble and stay out of trouble. Focus on your passion in life. Listen to your parents. Those are the same messages that got me where I am today.

CARSON MAKES HISTORY

with a GUINNESS WORLD RECORDS® title holder for
Most people making slime simultaneously

The City of Carson made history on Sunday, July 1, 2018 as it earned its title as the **GUINNESS WORLD RECORDS®** title holder for **Most people making slime simultaneously**. Thousands of citizens came to Community Friendship Day on this weekend of the 4th of July to celebrate Independence Day. Over a thousand people, from age 2 and better joined in the slime making activity.

"In lieu of fireworks, on our beloved nation's Independence Day, for the first time in Carson's history, the City of Carson now can add to its laurels that we are the **GUINNESS WORLD RECORDS®** title holder for **Most people making slime simultaneously**. It makes me proud that thousands of constituents as well as citizens from surrounding cities came to participate in this important, exciting, and historic event," said Carson's Mayor.

The Filipino-American Chamber of Commerce SouthBay Los Angeles (FACC-SLAA), who has been a partner-organizer of the Community Friendship Day celebration every year for the 4th of July celebration, co-sponsored this event as a way to give back to the Carson community and create memories that will find its way to the record books.

"We were excited to take part as we made **GUINNESS WORLD RECORDS®** for the "Most People Making Slime Simultaneously". Why slime you ask? Well simply because it's simple, fun, make people smile, and brings out the kid inside of everyone, no matter what age they may be. It symbolizes unity," said host and Vice President of FACC-SLAA Janice Jimenez.

YouTube's "Slime Queen" Karina Garcia of Craft City also made a special appearance and participated in the event. The day was filled with family activities with various entertainment, food trucks, and vendors.

"I had so much fun making slime. It's stress relieving in general. It's hands on. The kids love it! It's like a science experiment. It's a great way to get together with your friends and family and just craft together," said Karina Garcia.

Kalyn Gause and Madison Aldana

Left to Right: Jonathan Gonzales, Joey S. Malana, Chloe S. Ratcliffe, Evan Tatel, Karina Garcia, Capri Kara S. Ratcliffe

Joy Mendiola, Anjenika Enage, Jenicole Enage and Gabby Mendiola

"Making the slime was so fun, and meeting one of the my favorite youtubers, the slime queen, was really cool. I enjoyed helping Carson become a record holder," said 9-year old Leah Fletcher.

"It was really a fun day and whole new experience for me and my family. I am so glad to have been there in the event with everybody," said 12-year old Jenicole Enage.

"I am happy and grateful for what happened on that day with my family," said 10-year old Anjenika Enage.

"Friends is what makes Carson and what brings people together. The event of making slime is a bond for family and friends to make Carson what it means," said 9-year old Gabby Mendiola.

"It was so wonderful that Carson put up such an event. It was a good way to get to know your neighbors and make friends. I'm glad we actively

participated in this. It was a family event for us," said resident and mother Joy Soria.

"It was fun meeting Karina Garcia. She is funny, pretty, nice, and she is funny. I have been making slime for 2 years now. It's fun to squish it, stretch it, and pop the bubbles out of it. It was nice to sit with kids from my softball team and make slime together during the event," said 10-year old Madison Aldana.

"The community friendship day was a big success. We broke the world record for most people making slime "slimeultaneously". I had a lot of fun making slime, but most importantly, this whole event provided a positive impact on our community. I am especially proud of all those who took part in this event to break this world record. I saw that everyone had a fun time, especially the kids," said 7-year old Joey S. Malana.

Leah Fletcher with Karina Garcia

GROUNDBREAKING NEWS

VETERANS VILLAGE

Groundbreaking took place on March 1, 2018 for the Veterans Village which is projected to open in the Fall of 2019. This Affordable Housing Community will give preference to U.S. veterans and their families. The mixed use 51 unit complex features one, two and three bedroom units. It's commercial space measures 2,500 square feet. Applications will be available online and on-site at the southwest corner of Carson Street and Figueroa Street on September 28, 2018 - October 10, 2018.

For more information please visit www.veteransvillagecarson.com
Information hotline: (323) 390-9301 TTY (800) 855-7100

CARSON ARTS COLONY

Carson Arts Colony is the proposed new construction of 46 affordable rental units that provide a safe and community-driven environment with amenities appropriate for large family households. The residential units are spacious and feature fully equipped kitchens and private bathrooms, dishwashers as well as hard flooring and carpet. Additionally, ten units will be set aside for individuals and families who are at risk of homelessness. The project will have gallery showcasing resident art, as well as on-site work space with shared art tools and materials.

For more information about the project and how you can apply, contact WSH Management at (424) 318-1770

CARSON'S ROYAL COURT

THE 2018 MAJESTIC LITTLE MISS, TEEN AND MISS CARSON

The Miss Carson Pageant began many years ago around 1968. The scholarship took a hiatus in 2003 and was reintroduced ten years later in 2013. The Carson Scholarship Pageant allows female Carson residents to be a vibrant representation of our younger generation, demonstrate their civic pride while providing financial assistance for them to further their education.

The City of Carson crowned Miss Carson and Miss Teen Carson in a scholarship pageant held at the Congresswoman Juanita Millender-McDonald Community Center at Carson on April 27, 2018. The contestants competed in the areas of evening and active wear, talent, and question and answer. Bianca Perez was crowned 2018 Miss Carson and received a \$2,000 scholarship fund. Erica Guico was this year's Miss Teen Carson and received \$1,000.

Bianca Perez proudly joins several of the past winners who have attended notable schools. Perez graduated this May from Marymount California University with a double major in Accounting and Finance.

Sixteen-year old Sharon Taylor, sat center and enjoyed her reign as "Miss Carson." Members of her court are left, Susan Barr, Kathy Gonzalez and Linnea Hultgren. The queen and her princesses all attended Carson High School.

From left to right: 2017 Miss Teen Carson – Shavonna Jackson, 2018 Miss Teen Carson 2nd Princess – Isabel Lazo, 2018 Miss Teen Carson 1st Princess – Erica Jones, **2018 Miss Teen Carson – Erica Guico**, **2018 Miss Carson – Bianca Perez**, 2018 Miss Carson 1st Princess – Chanelle Carpenter, 2018 Miss Carson 2nd Princess – Kally Hall and 2017 Miss Carson – Ilene Renteria

"I am a first generation Hispanic girl raised in a single-parent household. I was blessed with four scholarships in high school. I hope to give back to my community in the future by being an active scholarship sponsor for students here in Carson," said Perez.

Erica Guico is a senior at Harbor Teacher Preparation Academy working toward her high school diploma and Associates Degree in Liberal Arts. Guico says that the pageant has "helped her develop her self-confidence, skills in communicating, and problem solving."

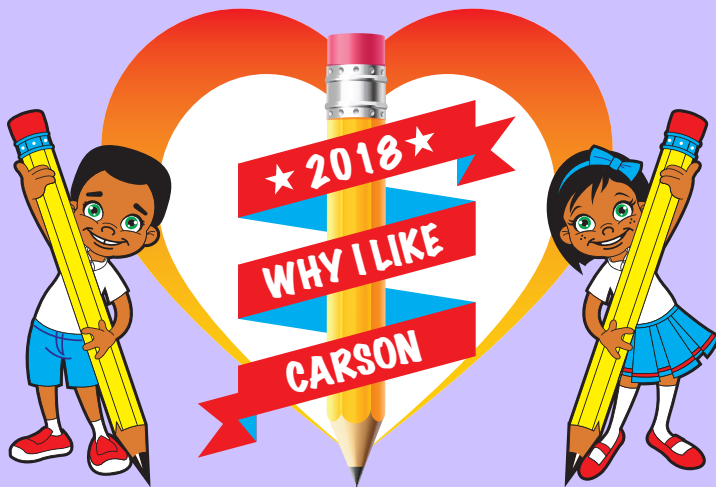

"We are proud to bring this prestigious event once again this year. It is important for us to honor and recognize the many talented young ladies in the City of Carson and the future they will represent," said Carson's Mayor.

CAPTAIN'S CORNER

BY CAPTAIN JASON SKEEN

App users can even file a report for the following incidents:

- Lost or stolen cell phones valued \$950 or less
- Lost or stolen property valued \$950 or less
- Vandalism, excluding graffiti, where damage is valued under \$400
- Theft from an unlocked vehicle valued \$950 or less
- Theft from an open or unsecured area valued \$950 or less

Sheriff Jim McDonnell said, one of his priorities is to do all we can to live up to our motto of providing a tradition of service. We now have technology that will help us provide information and help our community find answers and work with us to fight crime. This mobile app empowers everyone who lives, works, or visits the County of Los Angeles to have access to the Sheriff's Department on their smartphones.

To download the app, visit www.lasd.org, www.LASDapp.com or visit the Apple Store or Google Play Store, and search for "Los Angeles Sheriff's Department" to download.

Carson Sheriff Station Explorers

Our Station Explorers recently competed in a Southern California Explorer Tactical Competition in Santa Clarita. Our Carson Explorers competed against 37 other Teams from Los Angeles, Orange, and other counties, including Arizona.

Our explorers trained for months to prepare for the intense competition. They dedicated themselves to physical workouts, studying, and training exercises.

All of their hard work and efforts paid off. Our station explorers received awards for placing in four out of five scenarios! As their Captain I cannot convey in words how proud I am of our Explorer family.

A special thanks goes out to all of our Volunteers, Deputies and Sergeants who also dedicated time out of their busy schedule to support and prepare our Explorers. Additionally I would like to thank our Carson Sheriff's Station Support Foundation made up of residents, clergy, business owners, and community leaders for making a donation to our Station Explorer Program for equipment and resources to ensure our program continues to thrive.

New Los Angeles County Sheriff's Mobile App

The Los Angeles County Sheriff's Department is proud to unveil its new and innovative mobile application. The Department is the largest law enforcement agency in the nation to use a mobile application to connect the community with information and resources.

The app, available in the Apple and Android app stores, is free to the public and gives you access to the latest news, photos, videos, events, alerts, and crime information no matter where you are. In addition, the application allows two-way communications using social media platforms like Facebook, Twitter, Instagram, and YouTube. It also includes a special feature for submitting anonymous tips to the Department, and you can file a crime report from the convenience of your Smartphone. In addition the LASD (Los Angeles County Sheriff's Department) app will provide information on traffic conditions, crime prevention tips, inmate information, crime mapping, anonymous crime reporting, access to our Department calendar of events, and numerous vacant job openings in one of the largest law enforcement agencies in the world.

WHAT YOUR VOTE MEANS

ON PROPOSITION 6 ON NOVEMBER 6, 2018

WHAT IS SB1?

The Road Repair and Accountability Act of 2017, also known as the “Gas Tax”, and Senate Bill 1 (SB 1) is a California legislative bill that was passed on April 6, 2017 with the aim to repair roads, improve traffic safety, and expand public transit systems across the state.

The approval of the gas and diesel tax was for \$52.4 billion, or \$5.24 billion per year, to be raised over the next 10 years to fund the state’s infrastructure. SB1 currently funds critical projects in the City of Carson to improve our local streets and roads, bridges, and increase mobility options through walking, biking, and transit infrastructure.

WHAT IS THE GAS TAX REPEAL (PROPOSITION 6) ON THE NOVEMBER 6 BALLOT?

On November 6, 2018 voters will decide whether to repeal the gas tax increase that currently generates revenue to pay for improvements to local roads, state highways and public transportation. Both the gasoline and diesel tax would be rolled back if proposition 6 is passed.

WHAT HAS CARSON DONE WITH THE SB 1 FUNDS?

Pre-Construction:
Turmont Street

Post-Construction: Turmont Street

For more details on the rehabilitation project on Turmont Street see page 13

NO

- Keeps the revenues that support state highway maintenance and rehabilitation, local streets and roads, and truck routes.
- Increases accountability in where the funds are invested in street repairs.

YES

- Repeals a 2017 transportation law’s tax and fee provisions that pay for repairs and improvements to local roads, state highways, and public transportation.
- Requires any measure to enact certain vehicle fuel taxes and vehicle fees be submitted to and approved by the voters.

PLEASE EXCUSE OUR DUST DURING IMPROVEMENTS

Rehabilitation Project at **TURMONT ST. & DEL AMO BLVD.**

The Road Repair and Accountability Act of 2017 (SB 1 Beall) is a significant new investment in California's transportation system. The objective of SB1 is to address basic road maintenance, rehabilitation, and critical safety needs on state highways and the local streets and roads system. SB1 funding, along with funds received from Proposition C, Measure M and the Gas Tax are being combined to finance major street improvement projects. Similar projects to this are entitled to \$1.6 million annually.

Both the Del Amo and Turmont Street Rehabilitation projects will address damaged sidewalks, driveway approaches, cross gutters, curbs and gutters, access ramps and tree removals. The Del Amo Blvd project will be completed in two phases. Phase 1 will take place between Avalon Blvd and Central Avenue and Phase 2 stretches from Central Avenue to Wilmington Avenue. The Turmont project will take place between Avalon and Central.

Rick Boutros, P.E. Associate Civil Engineer
Internal Project Coordinator

Carson Stormwater and Runoff Capture Project at **CARRIAGE CREST PARK**

Park will be closed to the public for a few years while construction is underway.

The Carson Stormwater and Runoff Project at Carriage Crest Park will capture discharges from approximately 1,146 acres of the Wilmington Drain and Machado Lake Watersheds and will help the City comply with the National Pollutant Discharge Elimination System (NPDES) permit. The proposed water capture facility will include a diversion system to redirect all dry and wet-weather urban runoff from LACFCD Storm Drain BI 1201 – Line A through a pretreatment system to remove trash, debris, and sediment. A drainage pipeline will convey the water into a large, multi-chambered storage facility buried under the ballfield.

Julio Gonzalez, Senior Engineering Technician
Internal Project Coordinator

1 More than 10,000 mosquitoes
can emerge from a swimming
pool each week

2 Only female mosquitoes bite

3 It only takes 7 days for a
mosquito to complete its life
cycle from egg to a flying adult

For more information,
or to report mosquito issues contact the
Greater Los Angeles County Vector Control District
(562) 944-9656 or www.ReportMosquitoes.org
