

EVENT SERVICES WORKER II

Job Summary:

Under supervision of the Events Supervisor, performs a variety of routine and repetitive maintenance duties including set up and teardowns of equipment used at Community Center events.

Distinguishing Characteristics:

This is the first, experienced level of the Event Services Worker Job Series. Incumbents typically have appropriate specialized training with job related experience. Employees within this class are distinguished from Event Services Worker III by the performance of the work assigned to the journey level, but without the independence or full responsibility expected of positions at the journey level. Assignments are generally limited in scope and are set within a procedural framework established by the supervisor. As experience increases, the incumbent performs with increasing independence and becomes proficient as demonstrated by those skills necessary to perform as an Event Services Worker III.

Incumbents in this classification must complete one year in this classification, must meet the minimum qualifications for Event Services Worker III and must meet the Job Series guidelines to promote to Event Services Worker III.
