

HOMELESS SERVICES DEPARTMENT
EMERGENCY RESPONSE TEAM

The Emergency Response Team (ERT) conducts outreach to locate and assist homeless people and those at risk of homelessness in the County of Los Angeles. The ERT receives requests from persons in need, concerned community members or groups, social service agencies, City and County departments, and Elected Officials. They can provide shelter referrals and placement, transportation and other services.

The Team conducts outreach to locate individuals and families living in encampments, vehicles, and other places not meant for human habitation. They provide access to resources for families, veterans, unaccompanied youth, chronically homeless persons, persons with substance abuse problems, and mental and physical disabilities.

The Team makes every effort to respond to requests for assistance within 24 to 48 hours. The ERT can be reached between the hours of 7:30 AM to 5:00 PM, Monday through Friday, at the telephone numbers or email addresses listed below.
