BID SCHEDULE

Note to Bidders: The following list of items and its associated units and quantities are an approximation and it is the responsibility of the BIDDERS to verify and/or adjust the accuracy of the list and the inclusion of all work necessary for a complete and fully operational Project meeting the requirements of the Drawings and Specifications. The incompleteness of the list or the inaccuracy of the units and quantities does not relieve the BIDDER of its responsibility or requirement to construct the Project as required by the Contract Documents. This contractor's bid shall include all work in the contract documents, including plans, specifications, addendas, other related documents, regardless if the item or work or quantities are listed or not in the item schedule below.

The basis of award will be the total base bid. However, the City shall have the right to delete, increase or decrease any bid item, project or portions of a project for which approximate quantities are stated, based on unit or lump sum prices Bid, or to require changes in the Contract Documents which do not in the opinion of the City materially change the character of the Work of the item from that on which the Bidder based its unit or lump sum price Bid.

CONTRACTOR IS RESPONSIBLE FOR ACCURACY OF QUANTITIES AND SHALL PROVIDE A PRICE FOR THE COMPLETE DESIGN AT NO ADDITIONAL COST TO THE CITY.
