

CITY OF CARSON

March 13, 2017

Honorable Mark Ridley-Thomas
Los Angeles County Supervisor
500 W Temple Street, Suite #866
Los Angeles, CA 90012

Dear Supervisor Ridley-Thomas:

RE: POOR STREET CONDITION IN LOS ANGELES COUNTY

On a more frequent basis, the City of Carson receives complaints about the poor condition of Wilmington Avenue. The City of Carson and Los Angeles County share a portion of Wilmington Avenue. Carson residents are not aware of which agency has responsibility for what sections of the road. However, the section that the City receives the most complaints about is within Los Angeles County jurisdiction.

More specifically, the residents complain about the northbound travel lanes between Del Amo Boulevard and a point about 200 feet south of Victoria Street.

City staff has been in contact with the Los Angeles County Department of Public Works but are having difficulty receiving returned calls or attention to this issue. As a result, I am writing asking for your assistance in having that section of Wilmington Avenue repaired.

If you have any questions, please contact Interim Assistant City Manager, Dr. Jim Hart, at jamesh@carson.ca.us or (310) 952-1730.

Respectfully,

Kenneth C. Farsing
City Manager
