

CITY OF CARSON
PLANNING COMMISSION
RESOLUTION NO. 08-

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF CARSON APPROVING MODIFICATION TO SPECIAL USE PERMIT NO. 106-74 FOR THE ADDITION OF 21 MOBILE HOME SPACES TO AN EXISTING 404-UNIT MOBILE HOME PARK LOCATED AT 17700 AVALON BOULEVARD

THE PLANNING COMMISSION OF THE CITY OF CARSON, CALIFORNIA, HEREBY FINDS, RESOLVES AND ORDERS AS FOLLOWS:

Section 1. An application was duly filed by the applicant, Colony Cove Properties, with respect to real property located at 17700 Avalon Boulevard, and described in Exhibit "A" attached hereto, requesting authorization of a Modification to Special Use Permit No. 106-74 to permit an additional 21 mobile home spaces to an existing 404-unit mobile home park (Colony Cove Mobile Estates) located on approximately 52 acres in the RM-8-D (Residential, Multi-family – 8 units per acre – Design Overlay) zone district.

A public hearing was duly held on February 26, 2008, at 6:30 P.M. at City Hall, Council Chambers, 701 East Carson Street, Carson, California. A notice of time, place and purpose of the aforesaid meeting was duly given.

Section 2. Evidence, both written and oral, was duly presented to and considered by the Planning Commission at the aforesaid meeting.

Section 3. The Planning Commission finds that:

- a) The General Plan Housing Element calls for the the promotion of a variety of housing types, including mobile homes, and the development of quality affordable housing. The proposed 21 units exceeds the maximum density allowed in the zone of 8 units per acre. The applicant intends to provide additional mobile home spaces and affordable housing opportunites for five of the new spaces. The mobile home park is allowed to exceed the maximum density provided they provide affordable housing. In doing so, the development will facilitate achievement of goals and objectives of the General Plan.
- b) The project site is 52.54 acres in area, flat, and square-shaped. The location is suitable for the use, and there are adequate facilities to serve the subject property and intended use.
- c) Primary access to the subject property is via two driveways on the west side from Avalon Boulevard, which is a major thoroughfare running the length of the city. Avalon Boulevard is considered sufficient in width and capacity to serve the anticipated cumulative traffic impact created by the proposed mobile home expansion. Emergency vehicle access is provided by crash gates in two locations along the east side of the subject property, facing Rainsbury Avenue.
- d) There are a sufficient number fire hydrants located throughout the subject property to facilitate the suppression of fire. There is adequate water supply for the hydrants and efficient means of access for fire department equipment and personnel in the event of an emergency.

- e) The zoning for the property calls for multi-family residential uses, with which the proposed use is compatible. The proposed spaces will occupy existing areas within the mobile home park, which is consistent with the intended character of the area.
- f) The proposed site plan is designed to mitigate park residents' concerns voiced in community meetings between staff, the applicant and park residents during the review process of this application, and has been revised in response to the salient issues raised by residents in these meetings.

Section 4. The Planning Commission further finds that the use permitted by the proposed Modification to Special Use Permit No. 106-74 will not have a significant effect on the environment as indicated in the Initial Study and Negative Declaration prepared for this project. The proposed use will not alter the character of the surrounding area and meets or exceeds all City standards for protection of the environment. The Planning Commission hereby adopts the Negative Declaration.

Section 5. Based on the aforementioned findings, the Commission hereby grants a Modification to Special Use Permit No. 106-74, with respect to the property described in Section 1 hereof, subject to the conditions set forth in Exhibit "B" attached hereto, and adopts the Negative Declaration.

Section 6. The Secretary shall certify the adoption of this Resolution and shall transmit copies of the same to the applicant.

Section 7. This action shall become final and effective fifteen days after the adoption of this Resolution unless within such time an appeal is filed with the City Clerk in accordance with the provisions of the Carson Zoning Ordinance.

PASSED, APPROVED AND ADOPTED THIS 26th DAY OF FEBRUARY, 2008.
