Item No. 6C
I. Introduction

Applicant
Jose Duran
Freeway Tires Express, Inc.
2511 E. Jackson Street
Carson CA 90810

Property Owner
Rosalio Cortez
12503 Magnolia Street
El Monte, CA 91732

II. Project Description

Freeway Tires Express, represented by Jose Duran, requests approval of (CUP) No. 1098-19 and CUP No. 1099-19 for continued use of an existing tire sale & repair service shop adjoining a residential zone.

Carson Municipal Code Section 9141.1 (Uses Permitted) states that any principal use permitted in any commercial zone is automatically permitted in the industrial zone subject to the same requirements specified for such use in the commercial zones.

Carson Municipal Code Section 9138.14 (Automobile/Vehicles Services) under Industrial Zones, states that automobile/vehicle service and repair is allowed, subject to a conditional use permit.

Carson Municipal Code Section 9148.8 (Truck-Related Uses Located Less than One Hundred (100) Feet from a Residential Zone) under Industrial Zones, states that when any portion of property utilized for any truck-related use is less than one hundred feet from the lot line of any residentially zoned property, a conditional use permit shall be required.

Carson Municipal Code Section 9172.21 (Conditional Use Permit) states that the Commission shall approve a CUP if it is able to make affirmative findings based on criteria that includes General Plan consistency, the site can accommodate the proposed use, adequate circulation, adequate water supply, compatible with character of the area and such other criteria as are specified for condominiums in the Zoning Chapter of the Municipal Code.

The project consists of improving the site with new landscaping, architectural elements to the building façade, and restriping the parking area, to include an ADA stall. The business consists of tire repairs for auto passenger vehicles and semi-trucks. The hours of operation are as follows: Monday – Friday 7am-6pm, and Saturday 7am-4pm, and they are closed on Sunday. The business has two employees (Exhibit 2).

According to Code Enforcement, there are open violations on the property including a non-permitted covered patio, non-permitted restroom added to the first floor on the northern side of the building and non-permitted outdoor storage.

Although a tire sale and repair shop is not an ideal use leading into a residential community, the CUP process will safeguard best practices from the operator and thereby protect the neighborhood from business related nuisances.
III. Project Site and Surrounding Land Uses

The subject property site is located in the ML-D (Manufacturing Light – Design Overlay) zoning district and is designated Light Industrial under the Land Use Element of the General Plan. The subject property is located on the northeast corner of Alameda Street and Jackson Street.

Land uses surrounding the project site consist of single and multi-family residential, light/heavy industrial uses and the Southern Pacific Railroad. Light industrial uses adjoin the northern, southern and eastern boundaries. Residential uses adjoin the eastern boundary.

Figure above shows project site in context to its surrounding zoning.

The following table provides a summary of information regarding the project site:

IV. Analysis

Site History
Based on 1937 LA County Assessor records, the subject property originally consisted of
two legal parcels with a building on each; one parcel contained an approximate 929
square foot building and the other an approximate 1,700 square foot building. Based on
1991 City records, the two parcels were legally merged and the smaller 929 square foot
building was preserved on site. There are no City records for the demolition or removal
of the larger 1,700 square foot building. Business License records indicate that a tire
sale and repair service shop has operated at the subject property since 1991 including:
Exclusive Tires & Wheels from 1991 to 2008; Cortez Tires Service from 2008 to 2010;
and Freeway Tires Express from 2012 until now.

The two-story structure includes repair shop and offices. It is situated on the southeast
corner of Jackson and Alameda Street leading into a residential neighborhood
immediately east of the subject property.

Beginning in 2014, Code Enforcement has investigated the current business for
numerous concerns/violations:
1. Outdoor tire storage; the applicant has agreed to maintain outdoor tire storage
behind the interior gate and not visible from public right of way.
2. Insufficient parking; the applicant has agreed to stripe new parking spaces as a
part of on-site improvements.
3. Lack of adequate space on site to perform big rig truck repairs; staff has
conducted site visits on various times of the day and has observed that big rig
trucks fit safely on site for tire repair and/or replace.
4. Residential use of the building; staff has visited the site and inspected the site for
signs of residential use, and/or signs that someone may be living on the premise,
and discovered that the building is being used exclusively for office and storage.
5. Lack of trash enclosure; the applicant has agreed to install a new permanent a
trash enclosure.
6. Automotive fluid storage; the business works exclusively with tires and no auto
repair related work. Automotive fluids are not part of their operations.
Site Plan
The approximately 4,400 square foot existing project site consists of parking, outdoor storage, landscaping areas and a 928 square foot two-story building. The first floor consists of office, warehouse, a bathroom and the tire repair and installation service area. The second floor contains a bathroom and is utilized for office/storage space (Exhibit 3).

Access
The subject property has existing vehicular driveways on Alameda and on Jackson Street.

Parking & Traffic
Carson Municipal Code Section 9162.21 (Parking Spaces Required) (12. Vehicle Repair and Service) states 1 parking space shall be provided for each employee on the largest shift, plus 2 parking spaces shall be provided for each service bay. The business requires 2 parking spaces (1 space/employee = 2). The applicant proposes 3 parking spaces; 2 regular and 1 ADA compliant parking space.

Building and Architecture
The existing architecture is reflective of traditional or farmhouse style. The two-story building includes stucco elevations with brick accents on the southern elevation facing Jackson Street. New black awnings will be installed above the majority of the windows on each elevation. A new architectural foam trim will be added to the center of the building at the western and southern elevations. All wrought-iron fencing, gate and security bars will be repainted black.

Fence and Security
The project includes an existing 6'-9" high wrought iron fence with 7' foot high concrete columns and access gates on Alameda and Jackson Streets. There is an existing 7'-8" high wrought-iron fence on the northern and eastern property line.

Landscaping Requirements
Carson Municipal Code Section 9162.52 (Landscaping Requirements) requires any parking facilities visible from the public right-of-way to have interior landscaping of not less than five 5%. The proposed tire sale and service shop requires a total of 220 (4,416 X .05= 220) square feet of landscaping. The applicant proposes 243 square feet of landscaping.

The proposed landscape plan will comply with applicable water conservation requirements. Permanent irrigation utilizing best water conversation practices will be installed on site. It will include palm trees, cactus and palm plants, broadleaf evergreen shrub, and flowers, along Alameda and Jackson Streets.

V. CFD/DIF Discussion
On April 16, 2019, the City Council adopted Ordinance No 19-1931 to implement the City's Interim Development Impact Fee (IDIF) Program. In accordance with this IDIF program, the project is exempt due to the scope of work being a licensing matter.
VI. Environmental Review

The proposed project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301, Class 1 – Existing Facilities.

VII. Public Notice

Notice of the public hearing was posted on the project site and mailed to property owners and occupants within a 750’ on January 16, 2020. The agenda was posted at City Hall 72 hours prior to the Planning Commission meeting.

On June 20, 2019, the applicant received 36 signatures in support of the existing tire sale & repair service shop from existing customers. In addition, the applicant went door to door to meet with the residents that surround the project site and informed them of the permit application, and discussed any concerns, and requested their approval. The applicant received a total of 4 letters of support (Exhibit 5).

VIII. Recommendation

That the Planning Commission:

- **ADOPT** Resolution No. 19-____, entitled “A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF CARSON APPROVING CONDITIONAL USE PERMIT NO. 1098-19 AND 1099-19 FOR A SITE RENOVATION TO AN EXISTING TIRE SALE AND REPAIR SERVICE SHOP AT 2511 E. JACKSON STREET.”

CITY OF CARSON
PLANNING COMMISSION

RESOLUTION NO. 19-

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF CARSON APPROVING CONDITIONAL USE PERMIT NO. 1098-19 AND CONDITIONAL USE PERMIT NO. 1099-19, FOR A SITE RENOVATION TO AN TIRE SALE AND REPAIR SERVICE SHOP AT 2511 E. JACKSON STREET

WHEREAS, on July 29, 2019 the Department of Community Development, Planning Division received an application from Jose Durant, on behalf of Freeway Tires Express, Inc. for real property located at 2511 Jackson Street and described in Exhibit “A” attached hereto, requesting approval of Conditional Use Permit (CUP) No. 1098-19 and 1099-19 for the continued use of an existing tire sale and repair service shop; and

WHEREAS, studies and investigations were made and a staff report with recommendations was submitted, and the Planning Commission, upon giving the required notice, did on the twenty-eight day of January, 2020, conduct a duly noticed public hearing as required by law to consider said Conditional Use Permit applications. Notice of the hearing was originally posted and mailed to property owners and properties within a 750-foot radius of the project site by January 16, 2020; and

NOW, THEREFORE, THE PLANNING COMMISSION OF THE CITY OF CARSON, CALIFORNIA, HEREBY RESOLVES AS FOLLOWS:

SECTION 1. The Planning Commission finds that the foregoing recitals are true and correct, and are incorporated herein by reference.

SECTION 2. The Planning Commission determines finds as follows:

a) The proposed project is consistent with the General Plan of the City of Carson. The project site has a General Plan Land Use designation of Light Industrial and the proposed truck tire repair and service shop is compatible with the surrounding areas.

b) The proposed project is compatible in architecture and design with existing and anticipated development in the vicinity, including the aspects of site planning, land coverage, landscaping, appearance and scale of structures, open spaces, and other features relative to a harmonious and attractive development of the area. The existing tire sale and repair service shop measures approximately 4,400 square feet with a 928 square foot two-story building consisting of office, warehouse and storage space.

c) The proposed development will have adequate street access for pedestrian and vehicles, and also adequate capacity for parking and service. The subject property has existing vehicular driveways on Alameda and on Jackson Street. The business requires 2 parking spaces (1 space/employee = 2). The applicant proposes 3 parking spaces; 2 regular and 1 ADA compliant parking space.

d) All signage associated with this project will comply with applicable Carson Municipal

EXHIBIT NO. - 1
Code provisions, and will exhibit attractiveness, effectiveness and restraint in signing graphics and color.

e) The proposed tire sale and service shop requires a total of 220 (4,416 X .05= 220) square feet of landscaping. The applicant proposes 243 square feet of landscaping.

f) New black awnings will be installed above the majority of the windows on each elevation. A new architectural foam trim will be added to the center of the building at the western and southern elevations. All wrought-iron fencing, gate and security bars will be repainted black.

SECTION 3. The proposed project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15301, Class 1 – Existing Facilities. Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination.

SECTION 4. Conditional Use Permit No. 1098-19 and 1099-19 complies with the City’s Zoning Ordinance and General Plan and is consistent with the intent of Article IX, Chapter 1, Section 9172.21 (Conditional Use Permit) of the Carson Municipal Code.

SECTION 5. The Planning Commission of the City of Carson, pursuant to the findings set forth above, does hereby approve Conditional Use Permit No. 1098-19 and 1099-19 for the continued use of the existing tire sale and repair service shop at 2511 E. Jackson Street, subject to the Conditions of Approval contained in Exhibit B.

SECTION 6. This decision of the Planning Commission shall become effective and final 15 days after the date of the action unless an appeal is filed in accordance with Section 9173.4 of the Zoning Ordinance.

SECTION 7. The Secretary of the Planning Commission shall certify to the adoption of this Resolution.

APPROVED and ADOPTED this 28th day of January, 2020.

LEGAL DESCRIPTION

THE LAND REFERRED TO HEREIN BELOW IS SITUATED IN THE COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AND IS DESCRIBED AS FOLLOWS:

Lot(s) 1669 and 1670, Tract No. 7644, in the City of Carson, County or Los Angeles, State of California, as per map recorded in Book 84, Page(s) 47 and 48 of Maps, in the Office of the County Recorder of said County.

APN: 7308-012-037
CONDITIONAL USE PERMIT NO'S. 1098-19 & 1099-19

I. GENERAL CONDITIONS

1. The approved Resolution, including the Conditions of Approval contained herein, and signed Affidavit of Acceptance, shall be copied in their entirety and placed directly onto a separate plan sheet behind the cover sheet of the development plans prior to Building and Safety plan check submittals. Said copies shall be included in all development plan submittals, including any revisions and the final working drawings.

2. The applicant, property owner, and/or successor to whom these project entitlements are assigned ("Developer") shall submit two complete sets of plans that conform to all the Conditions of Approval to be reviewed and approved by the Planning Division prior to the issuance of a building permit.

3. The applicant shall comply with all city, county, state and federal regulations applicable to this project.

4. Any substantial project revisions will require review and approval by the Planning Commission. Any revisions shall be approved by the Planning Division prior to Building and Safety plan check submittal.

5. The applicant and property owner shall sign an Affidavit of Acceptance form and submit the document to the Planning Division within 30 days of receipt of the Planning Commission Resolution.

6. A modification of these conditions, including additions or deletions, may be considered upon filing of an application by the owner of the subject property or his/her authorized representative in accordance with Section 9173.1 of the Zoning Ordinance.

7. It is further made a condition of this approval that if any condition is violated or if any law, statute ordinance is violated, this permit may be revoked by the Planning Commission or City Council, as may be applicable; provided the Developer has been given written notice to cease such violation and has failed to do so for a period of thirty days.

8. Precedence of Conditions. If any of these Conditions of Approval alter a commitment made by the Developer in another document, the conditions enumerated herein shall take precedence unless superseded by a Development Agreement, which shall govern over any conflicting provisions of any other approval.

9. City Approvals. All approvals by City, unless otherwise specified, shall be by the department head of the department requiring the condition. All agreements, covenants, easements, deposits and other documents required herein where City is a party shall be in a form approved by the City Attorney. The Developer shall pay the cost for review and approval of such agreements and deposit necessary funds pursuant to a deposit agreement.

10. Deposit Account. A trust deposit account shall be established for all deposits and fees required in all applicable conditions of approval of the project. The trust deposit shall be maintained with no deficits. The trust deposit shall be governed by a deposit agreement. The
trust deposit account shall be maintained separate from other City funds and shall be non-interest bearing. City may make demands for additional deposits to cover all expenses over a period of 60 days and funds shall be deposited within 10 days of the request therefor, or work may cease on the Project.

11. Indemnification. The applicant, owner, and tenant(s), for themselves and their successors in interest ("Indemnitors"), agree to defend, indemnify and hold harmless the City of Carson, its agents, officers and employees, and each of them ("Indemnites") from and against any and all claims, liabilities, damages, losses, costs, fees, expenses, penalties, errors, omissions, forfeitures, actions, and proceedings (collectively, "Claims") against Indemnites to attack, set aside, void, or annul any of the project entitlements or approvals that are the subject of these conditions, and any Claims against Indemnitees which are in any way related to Indemnitees' review or decision upon the project that is the subject of these conditions (including without limitation any Claims related to any finding, determination, or claim of exemption made by Indemnitees pursuant to the requirements of the California Environmental Quality Act), and any Claims against Indemnitees which are in any way related to any damage or harm to people or property, real or personal, arising from Indemnitors' operations or any of the project entitlements or approvals that are the subject of these conditions. The City will promptly notify Indemnitors of any such claim, action or proceeding against Indemnitees, and, at the option of the City, Indemnitors shall either undertake the defense of the matter or pay Indemnites' associated legal costs or shall advance funds assessed by the City to pay for the defense of the matter by the City Attorney. In the event the City opts for Indemnitors to undertake defense of the matter, the City will cooperate reasonably in the defense, but retains the right to settle or abandon the matter without Indemnitors' consent. Indemnitors shall provide a deposit to the City in the amount of 100% of the City's estimate, in its sole and absolute discretion, of the cost of litigation, including the cost of any award of attorneys' fees, and shall make additional deposits as requested by the City to keep the deposit at such level. If Indemnitors fail to provide or maintain the deposit, Indemnitees may abandon the action and Indemnitors shall pay all costs resulting therefrom and Indemnitees shall have no liability to Indemnitors.

II. AESTHETICS

1. There shall be no deviation of architectural design or details from the approved set of plans. Any alteration shall be first approved by the Planning Division.

2. Awnings shall be installed to the exterior of the structure, above the windows, per the approved set of plans, and architecturally integrated into the structure to the satisfaction of the Planning Division.

3. Any roof-mounted equipment shall be screened to the satisfaction of the Planning Division.

4. Graffiti shall be removed from all areas within twenty-four (24) hours of written notification by the City of Carson, including graffiti found on perimeter walls and fences. Should the graffiti problem persist more than twice in any calendar year, the matter may be brought before the Planning Commission for review and further consideration of site modification (i.e. fencing, landscaping, chemical treatment, etc.).

5. The proposed project site shall be maintained free of debris, litter and inoperable vehicles at all times. The subject property shall be maintained to present an attractive appearance to the satisfaction of the Planning Division.

6. Tires shall not be visible from public right of way. They shall be stored behind the interior gate.
7. The site and/or building shall not be used for residential purposes at any time.

III. FENCE/WALLS

1. The existing 6'-9" high wrought iron fence and 7 feet high concrete columns with sliding access gates on the western edge along Alameda and Jackson Streets, and the existing 7'-8" high wrought-iron fence on the interior and rear sides, shall be maintained free from graffiti and painted when necessary.

IV. LANDSCAPE/IRRIGATION

1. Comply with the provisions of Section 9168.1 (Adoption of Water Efficient Landscape Ordinance) of the Zoning Ordinance.

2. Landscaping shall be provided with a permanently installed, automatic irrigation system and operated by an electrically-timed controller station set for early morning or late evening irrigation.

3. Installation of 6'' x 6'' concrete curbs are required around all landscaped planter areas, except for areas determined by National Pollutant Discharge Elimination System (NPDES) permit or other applicable condition of approval that requires certain landscaped areas to remain clear of concrete curbs for more efficient storm water runoff flow and percolation. Revised landscaping and irrigation plans shall be reviewed and approved by the Planning Division should subsequent modifications be required by other concerned agencies regarding the removal of concrete curbs.

4. The proposed irrigation system shall include best water conservation practices.

5. Installation, maintenance, and repair of all landscaping shall be the responsibility of the property owner.

6. Prior to Issuance of Building Permit, the applicant shall submit two sets of landscape and irrigation plans drawn, stamped, and signed by a licensed landscape architect. Such plans are to be approved by the Planning Division.

V. LIGHTING

1. Shall provide adequate lighting for the parking areas.

2. All exterior lighting shall be provided in compliance with the standards pursuant to Section 9147.1 (Exterior Lighting) of the Zoning Ordinance.

3. Such lights are to be directed on-site in such a manner as to not create a nuisance or hazard to adjacent street and properties, subject to the approval of the Planning Division.

VI. PARKING

1. New parking spaces shall be provided in accordance with Section 9162.21 of the Zoning Ordinance.

2. All driveways shall remain clear. No encroachment into driveways shall be permitted.

3. The parking areas will be re-slurried sealed and re-striped with a new parking configuration that complies with ADA, Fire, and Traffic Engineering standards.

4. All areas used for movement, parking, loading, or storage of vehicles shall be paved, striped and provided with wheel stops in accordance with Section 9162.0 of the Zoning Ordinance.
5. The site shall always have adequate space for the repair and/or replacement of tire on big rig trucks. Big rig trucks shall not project into the public right of way and/or off-site at any time.

VII. TRASH
1. A trash enclosure shall be provided on site, at a location approved by the Planning Division.
2. Trash collection shall comply with the requirements of the City’s trash collection company.

VIII. BUSINESS LICENSE
All parties involved in the subject project including but not limited to contractors and subcontractors are required to obtain a city business license per Section 6310 of the Carson Municipal Code.
