Please continue to follow the recommendations of public health experts to avoid the spread of COVID-19 by washing your hands often; clean and disinfect surfaces on a regular basis; stay a safe distance from one another; stay home if you are ill; avoid others who are who are ill; cover coughs and sneezes; wear face masks if you are ill. If you are experiencing high fever, along with dry cough and fatigue, call your health provider so they can provide you with professional advice and recommendations. Those with underlying health conditions, the elderly and those who are pregnant should consider calling sooner, as soon as feeling ill.
