A MESSAGE FROM THE Director of Community Services

Welcome to the Winter Edition of the City of Carson's Recreation Guide!

The City of Carson Community Services Department strives to strengthen our community's fabric, health, and well-being. Our goal is to improve the lives of our citizens and the community as a whole by providing services, events and proactive, positive programming for all ages and abilities that provide access to the serenity and inspiration of nature; outdoor space to play and exercise; facilities for self-directed and organized recreation; positive alternatives for youth which help lower crime and mischief; and activities that facilitate social connections, human development, therapy, the arts, and lifelong learning.

Our 50th Anniversary comes to an end during this winter session and we would like to express our deep thanks and gratitude to city leadership, staff, volunteers, community members, businesses, and the Carson Community Foundation for the outstanding support they provided to the amazing 50th Anniversary events.

As the season changes and shifts to winter, we would like to encourage all residents and community members to take advantage of our programs and activities. We offer a state accredited after-school program at seven of our community parks for parents who need assistance with child care. Winter is also basketball season with baseball, softball, and t-ball signups in February 2019. For more information, contact your local park.

The City of Carson and our department pride themselves on offering various special community events through the year. We are presenting the Winter Fest and Tree Lighting Ceremony, Enrichment Recital, Parks Recital, Dr. Martin Luther King Jr. Celebration, and Black History Month Celebration.

As we continue to work toward serving the Carson community better, we welcome any comments or suggestions you may have. Please feel free to contact us at 310-847-3570 or email cyfront@carson.ca.us.

Have a great winter, and remember that Parks Make Life Better!

Idris Jassim Al-Oboudi
