CITY OF CARSON POSITION STATEMENT

Carson is a vibrant city with a small town atmosphere where relationships are important. This is clearly visible throughout the community, from the stable single family neighborhoods, which make up nearly eighty percent of the city's residences, to the partnership between businesses and volunteer driven agencies which strengthen the city's remarkable social fabric.

The social composition of Carson is California in miniature. It is a city with a balanced ethnic and cultural mix living together in harmony and prosperity.

The community takes pride in the large percentage of Carson students who attend college, many to California State University, Dominguez Hills, a valuable asset to the city.

Carson's strategic position in the heart of the powerful economic engine that is Southern California attracts international corporations which recognize the city's bright future. The city's proximity to the West Coast's two major ports, as well as its intersection by four Southland freeways, makes it a major gateway to the Pacific Rim.

We, the people who live and work in Carson, take pride in our city and will continue to build relationships which ensure that future.

A MESSAGE FROM THE CITY TREASURER

The City of Carson has established a Fraud Hotline to fight fraud and protect taxpayer's dollars. The Hotline is an option for anyone wishing to anonymously report illegal or unethical activity on the part of the City, its officials, employees, contractors or vendors. The Hotline is open 24 hours a day, 7 days a week and interpreters are available in 20 different languages.

Calls placed to the Hotline are confidential and handled by a third party vendor. You do not have to give your name and your call is not recorded through the use of recording devices, caller identification equipment or any other means.

The City of Carson has taken a pro-active step against fraud by establishing the Hotline. In the event that you become aware of unethical, illegal or irresponsible activity, don't ignore it. Call the Fraud Hotline toll-free telephone number at 1-877-7 HOT TIP or 1-877-746-8847.

FINE ARTS

Cultural Activities & Programs

The City of Carson Fine Arts Section values the services of our community based arts and cultural organizations and the artists whose work enriches our community. The City of Carson has allocated funding for these skills to be taught to or performed by Carson residents. Our goal is to provide fine arts programs based on diverse interests and needs and to serve a wide range of citizens who are not already served. The following 14 organizations were funded for the fiscal year of 2007-2008.

The Carson Art Association is a non-profit fine arts organization that recognizes traditional mediums. The Association was formed for the development of art and to promote art awareness in our community. Monthly meetings are held the first Tuesday of each month at 7:00 p.m. After a short business meeting, a guest demonstrating artist or speaker is featured. Admission is free. The Art Association hosts an annual art show each spring. For more information, call the Fine Arts Department at (310) 952-1705.

Carson Dominguez Hills Symphony Orchestra Under the direction of Dr. Frances Steiner, the symphony has been honored nationally for its artistic excellence. One of the few women commanding recognition in the world of conduction, Dr. Steiner, a Musical Director and Conductor of the Carson-Dominguez Symphony, has instituted innovative programming that combines popular classics and contemporary music. This nationally acclaimed conductor became the first woman to conduct a professional orchestra at the Los Angeles Music Center's Dorothy Chandler Pavilion. Dr. Steiner invites all musicians to audition for membership in the orchestra. For audition information, call the University Music Department at (310) 243-3543. All concerts are free and seating is on a first come, first served basis.

Art in Motion Youth Dance Co is presenting a production and outreach program entitled "Inner Visions." This program was funded in an effort to offer participation to local youth at minimal costs. The funding included production costs, choreographer and theater rental set design and promotional materials. For more information, call Elaine Glover at (310) 808-0098.

CSUDH Community Wind Ensemble serves as a performance outlet for many Carson Residents who play instruments found in the wind ensemble, but no longer have an appropriate outlet for their talent. The wind ensemble serves Carson residents both as a performance outlet and as a town band that performs at civic functions. The group rehearses on Wednesday evenings from 7:00 p.m. to 9:45 p.m. on the CSUDH campus. For more information contact Dr. Richard Kravchak at (310) 243-3947.

COMMUNITY EVENTS

CSUDH University Art Gallery presents the "9th International Shoebox Sculpture Exhibition" which will feature 82 sculptures small enough to fit into a shoebox by a roster of well-known international artists from Hawaii, Australia, Belgium, Canada, Finland, Germany, Great Britain, Japan, Taiwan, and Vietnam. To create their sculptures, artists have used almost every imaginable medium. Cast metal, carved wood, blown glass, woven fiber, paper mache', molded clay, and found objects have all been components of shoebox sculptures.

Francisco Martinez Dancetheatre conducts one long term and two short term dance residencies at local elementary schools, culminating in student generated choreography. Students are invited from local elementary schools to attend a performance of the FMDT's Cancionera at the Carson Community Center and/or CSUDH Theatre.

Apollo West Carson Players was established in 1974, and is headed by Marvin Clayton, Executive Director. The Carson Players produce stage productions, cultural arts events and provide theatrical skills workshop in the field of acting, singing, dancing, including technical stage producing and auditioning skills. The artistic goal is to provide a cultural art outlet for professional, nonprofessional, "at risk" youth and adult residents while teaching self-expression and self-esteem. This year the group will present the Broadway award winning musical "Don't Bother Me, I Can't Cope." For additional information, please call Marvin Clayton at (310) 741-1942.

Vivian McClure's Theatre Productions will rotate to three elementary schools this year. The schools host this six-week program that becomes a part of the schools' spirit through participating and working together to create a full-scale 40-minute one-act play. These plays are complete with sets, costumes, and lighting equipment that are provided in a touring package. More than 40 children are selected through reading auditions to play the parts and work the stage equipment as the stage crewmembers. Students rehearse the play and learn the technical jobs to put it all together in performances for student body assemblies and a one evening performance. This six-week program reaches an audience of 3,600 students and Carson residents each year. This year the children will present "Magic in Me".

The Filipinas Chorale, U.S.A. & the Cherubs under the direction of Sr. Marie Vincent Llamzon, is a 36 member choir whose musical versatility is demonstrated in its repertoire ranging from traditional sacred songs, popular classics, Broadway musical numbers, and folk songs. The choir's dynamic character is matched by its simple yet elegant costumes and tasteful choreography. "The Cherubs" is a children's choir composed of boys and girls ranging in ages of 5-15 years, who together with the Filipinas Chorale, have performed in successful choral concerts. These amazing children bring joy to the heart with their vibrant songs and dance numbers. For more information, call (310) 635-0509.

This year's production focuses on a community based original play drawn from stories taken from Dominguez graduates. The play focuses on the connections between education and the real world, as it follows the stories of students who prepare to play many roles in their families, relationships, and communities.

Office of Samoan Affairs Performing Arts is an outreach program targeting Samoan/Pacific Islander youth with interests in cultural performances of traditional and modern dances, music, instruments, such as the ukulele, short skit performances, script development, and theatrical production and performance. Volunteers: "Carson Wants You"

Volunteerism has always been the backbone of the American way of life, from the Red Cross worker who lends a helping hand to victims of natural disasters to the volunteer coaches who teach our children about sports and fair play. In Carson, volunteerism remains a vital force in keeping public services available to residents of the city.

Volunteers have made a difference. They have often unselfishly pitched in and given valuable time in delivering important services that otherwise could not be provided.

If you would like to make a difference and are willing to give your time and effort to Carson's recreation programs, you are encouraged to contact your neighborhood park or City Hall Annex at (310) 847-3570.

Thanks

All Youth Sports Programs are coached by adult volunteers who give their time and talent to the youth of our community. The Recreation Division takes this opportunity to thank these dedicated coaches. Without your help, our program would not be possible.

Kids Club After-School Child Care

Solution For Latchkey Children

Across the United States, child care is being recognized as a major issue. Changing economic and social conditions have drastically altered the after school environment for elementary school children. It was estimated that by the year 2000, six out of nine families will require child care service. Where do the children go after school?

Carson's solution to the growing problem is Kids Club, a safe environment for latchkey children. The Kids Club was designed to provide a much needed alternative for single and dual working parents by offering supervision for children from 2:30 - 6:00 p.m., Monday through Friday. The City of Carson's Parks and Recreation Department administers this program through the Recreation Division.

SENIORS ASSISTED LIVING

Case Management & Home Services

To help seniors and disabled remain independent and in their own homes, our coordinator meets with clients to assess their needs, determine eligibility for services, and develop a care plan. This is done during a home visit, which takes approximately an hour. The coordinator gathers information concerning an applicant's physical, psych-social, financial, and any other concerns that may arise during the visit. We encourage caregivers to participate in the assessment and planning of services. Coordinators authorize services based on the individual needs of each senior or refer them to other community agencies. For more information, call (310) 952-1775, ext. 1471.

Geriatric Aide Program

EARS (Emergency Alert Response System)

All of us want to be able to live independently in our own homes as long as possible. Seniors with a disability can maintain this independence with a little help from Lifeline. Lifeline is a personal response unit connected to a home telephone system. If an emergency occurs, the subscriber simply presses a button worn on the wrist or around the neck, and an alarm sounds at Long Beach Memorial Medical Center 24-hour monitoring station and within seconds, a friendly voice is heard in the home asking the nature of the problem and dispatching appropriate help. For more information, call (310) 952-1775, ext. 1471.

Respite Care

This program provides relief to caregivers who are meeting the daily needs of a senior family member or friend. Supported by the Unity Day Latino Subcommittee

American labor leader César E. Chávez was born near Yuma, Arizona, and grew up in migrant labor camps. From 1952 until 1962, he worked for the Community Service Organization, a self-help group. Then, he began working to create a farm workers' union. The union was chartered in 1966 by the American Federation of Labor and Congress on Industrial Organizations (AFL-CIO) as the United Farm Workers Organizing Committee, with Chávez as its president. In 1968, Chávez gained attention as leader of a nationwide boycott of California table grapes in a drive to achieve labor contracts.

Volunteers: “Carson Wants You”

Volunteerism has always been the backbone of the American way of life, from the Red Cross worker who lends a helping hand to victims of natural disasters to the volunteer coaches who teach our children about sports and fair play. In Carson, volunteerism remains a vital force in keeping public services available to residents of the city.

Volunteers have made a difference. They have often unselfishly pitched in and given valuable time in delivering important services that otherwise could not be provided. If you would like to make a difference and are willing to give of your time and effort to Carson’s recreation programs, you are encouraged to contact your neighborhood park or City Hall Annex at (310) 847-3570.

Carson Veterans Monument

On November 11, 1998, the City of Carson dedicated a Veterans Monument to honor those Carson Veterans who died while serving this country. We need your help. If you know the name of a Carson Veteran who died while serving this country, please call, (310) 830-9991.

Carson Veterans Wall

The City of Carson is in the process of gathering the names of Carson Veterans who served in the United States armed forces for the purpose of adding their name to the Veterans Wall that will be dedicated on November 11, 2003. If you are a Carson Veteran or if you know of a Carson Veteran who served in the United States armed forces, please contact the Parks and Recreation Department at (310) 830-9991.
