CITY OF CARSON POSITION STATEMENT

Carson is a vibrant city with a small town atmosphere where relationships are important. This is clearly visible throughout the community, from the stable single family neighborhoods, which make up nearly eighty percent of the city's residences, to the partnership between businesses and volunteer driven agencies which strengthen the city's remarkable social fabric.

The social composition of Carson is California in miniature. It is a city with a balanced ethnic and cultural mix living together in harmony and prosperity.

The community takes pride in the large percentage of Carson students who attend college, many to California State University, Dominguez Hills, a valuable asset to the city.

Carson's strategic position in the heart of the powerful economic engine that is Southern California attracts international corporations which recognize the city's bright future. The city's proximity to the West Coast's two major ports, as well as its intersection by four Southland freeways, makes it a major gateway to the Pacific Rim.

We, the people who live and work in Carson, take pride in our city and will continue to build relationships which ensure that future.

These plays are complete with sets, costumes, and lighting equipment that are provided in a touring package. More than 40 children are selected through reading auditions to play the parts and work the stage equipment as the stage crew members. Volunteers: "Carson Wants You"

Volunteerism has always been the backbone of the American way of life, from the Red Cross worker who lends a helping hand to victims of natural disasters to the volunteer coaches who teach our children about sports and fair play. In Carson, volunteerism remains a vital force in keeping public services available to residents of the city.

Volunteers have made a difference. They have often unselfishly pitched in and given valuable time in delivering important services that otherwise could not be provided.

If you would like to make a difference and are willing to give your time and effort to Carson's recreation programs, you are encouraged to contact your neighborhood park or City Hall Annex at (310) 847-3570.

Kids Club After-School Child Care

Solution For Latchkey Children

About 14 percent of children age 12 and younger are latchkey kids, but they spend only about an hour home alone after school. Studies from the Census Bureau estimate that as many as ten million youth are left home alone, every afternoon - every day of the week. Due to several socioeconomic factors, the number of latchkey kids is substantial, and the already alarming numbers are rising.

Carson's solution to the growing problem is Kids Club, a safe environment for latchkey children. The Kids Club was designed to provide a much needed alternative for single and dual working parents by offering supervision for children from 2:30 - 6:00 p.m., Monday through Friday. The City of Carson's Parks and Recreation Department administers this program through the Recreation Division.

The area where music can be played and direction of speakers shall be agreed upon by permittee and City staff. Volunteers: "Carson Wants You"

Volunteerism has always been the backbone of the American way of life, from the Red Cross worker who lends a helping hand to victims of natural disasters to the volunteer coaches who teach our children about sports and fair play. In Carson, volunteerism remains a vital force in keeping public services available to residents of the city.

Volunteers have made a difference. They have often unselfishly pitched in and given valuable time in delivering important services that otherwise could not be provided. If you would like to make a difference and are willing to give of your time and effort to Carson's recreation programs, you are encouraged to contact your neighborhood park or City Hall Annex at (310) 847-3570.
