CITY OF CARSON POSITION STATEMENT

Carson is a vibrant city with a small town atmosphere where relationships are important. This is clearly visible throughout the community, from the stable single family neighborhoods, which make up nearly eighty percent of the city's residences, to the partnership between businesses and volunteer driven agencies which strengthen the city's remarkable social fabric.

The social composition of Carson is California in miniature. It is a city with a balanced ethnic and cultural mix living together in harmony and prosperity.

The community takes pride in the large percentage of Carson students who attend college, many to California State University, Dominguez Hills, a valuable asset to the city.

Carson's strategic position in the heart of the powerful economic engine that is Southern California attracts international corporations which recognize the city's bright future. The city's proximity to the West Coast's two major ports, as well as its intersection by four Southland freeways, makes it a major gateway to the Pacific Rim.

We, the people who live and work in Carson, take pride in our city and will continue to build relationships which ensure that future.

A MESSAGE FROM THE CITY TREASURER

The City of Carson has established a Fraud Hotline to fight fraud and protect taxpayer's dollars. The Hotline is an option for anyone wishing to anonymously report illegal or unethical activity on the part of the City, its officials, employees, contractors or vendors. The Hotline is open 24 hours a day, 7 days a week and interpreters are available in 20 different languages.

Calls placed to the Hotline are confidential and handled by a third party vendor. You do not have to give your name and your call is not recorded through the use of recording devices, caller identification equipment or any other means.

The City of Carson has taken a pro-active step against fraud by establishing the Hotline. In the event that you become aware of unethical, illegal or irresponsible activity, don't ignore it. Call the Fraud Hotline toll-free telephone number at 1-877-7 HOT TIP or 1-877-746-8847.

Cultural Activities & Programs

The City of Carson Fine Arts Section values the services of our community based arts and cultural organizations and the artists whose work enriches our community. The City of Carson has allocated funding for these skills to be taught to or performed by Carson residents. Our goal is to provide fine arts programs based on diverse interests and needs and to serve a wide range of citizens who are not already served. The following 11 organizations were funded for fiscal year 2008-2009.

Carson Dominguez Hills Symphony Orchestra

Under the direction of Dr. Frances Steiner, the symphony has been honored nationally for its artistic excellence. One of the few women commanding recognition in the world of conduction, Dr. Steiner, a Musical Director and Conductor of the Carson-Dominguez Symphony, has instituted innovative programming that combines popular classics and contemporary music. This nationally acclaimed conductor became the first woman to conduct a professional orchestra at the Los Angeles Music Center's Dorothy Chandler Pavilion. Dr. Steiner invites all musicians to audition for membership in the orchestra. For audition information, call the University Music Department at (310) 243-3543.

Apollo West Carson Players

The Apollo West Carson Players are proud to present "A Christmas Happening 2008". A group of kids has been given an assignment during Christmas time to bring "current event" stories to class. Unfortunately, much of the TV, newspaper, and computer news they find is negative and violent. They decide to become a "Good News Team", and find more positive news to relate to well-known Christmas songs. In the process of looking for positives, the kids also have to deal with the real world they live in, which is composed of drive-by shootings, car jackings, Pokemon Mania, and more. The production is scheduled to take place on Sunday, December 21, 2008, at the Congresswoman Juanita Millender-McDonald Community Center. For tickets and further information, please call (310) 212-7955.

Art in Motion Youth Dance Co is presenting a production and outreach program. The program was funded in an effort to offer participation to local youth at minimal costs. The funding includes production costs, choreographer, theater rental, set design, and promotional materials. For more information, call Elaine Glover at (310) 808-0098.

Cultural Activities & Programs

PASS stands for Pacific American Student Services. This program will allow community residents and students from Carson schools to participate in the Asian/Pacific Islander Heritage Month Celebration at Cal-State Dominguez Hills. The program includes Polynesian dances, cultural activities, student tours of the college, a school dance exhibition, speakers, cultural workshops, and vendors.

Vivian McClure's Theatre Productions will rotate to three elementary schools this year. The schools host this six-week program that becomes a part of the schools' spirit through participating and working together to create a full-scale 40-minute one-act play. These plays are complete with sets, costumes, and lighting equipment that are provided in a touring package. More than 40 children are selected through reading auditions to play the parts and work the stage equipment as the stage crewmembers. Students rehearse the play and learn the technical jobs to put it all together in performances for student body assemblies and a one evening performance. This six-week program reaches an audience of 3,600 students and Carson residents each year.

The Filipinas Chorale, U.S.A. & the Cherubs under the direction of Sr. Marie Vincent Llamzon, is a 36 member choir whose musical versatility is demonstrated in its repertoire ranging from traditional sacred songs, popular classics, Broadway musical numbers, and folk songs. The choir's dynamic character is matched by its simple yet elegant costumes and tasteful choreography. "The Cherubs" is a children's choir composed of boys and girls ranging in ages of 5-15 years, who together with the Filipinas Chorale, have performed in successful choral concerts. These amazing children bring joy to the heart with their vibrant songs and dance numbers. For more information, call (310) 635-0509.

Asociacion Cultural - La Academia de Mariachi, the Asociacion's first program, teaches youth the history and the art of traditional Mariachi music. The gallery is also used as a forum for student art critique classes, discussions with artists, university and community guest lecture series and events, provides tours to university classes, community groups and school groups, and gives an opportunity for students and interns to participate in gallery installations and management.

Volunteers: "Carson Wants You"

Volunteerism has always been the backbone of the American way of life, from the Red Cross worker who lends a helping hand to victims of natural disasters to the volunteer coaches who teach our children about sports and fair play. In Carson, volunteerism remains a vital force in keeping public services available to residents of the city.

Volunteers have made a difference. They have often unselfishly pitched in and given valuable time in delivering important services that otherwise could not be provided.

If you would like to make a difference and are willing to give your time and effort to Carson's recreation programs, you are encouraged to contact your neighborhood park or Parks & Recreation Department at (310) 847-3570.

Thanks

All Youth Sports Programs are coached by adult volunteers who give their time and talent to the youth of our community. The Recreation Division takes this opportunity to thank these dedicated coaches. Without your help, our program would not be possible.

Across the United States, child care is being recognized as a major issue. Changing economic and social conditions have drastically altered the after school environment for elementary school children. Since 2000, it has been estimated that six out of nine families will require child care service. Where do the children go after school?

Carson's solution to the growing problem is Kids Club, a safe environment for latchkey children. The Kids Club was designed to provide a much needed alternative for single and dual working parents by offering supervision for children from 2:30 - 6:00 p.m., Monday through Friday. The City of Carson's Parks and Recreation Department administers this program through the Recreation Division.

DID YOU KNOW THESE ORDINANCES EXIST?

ORDINANCE 95-1055: NEW PARK CLOSURE HOURS

Old Closure Hours: Midnight-5 a.m. - **New Closure Hours:** 10 p.m.-5 a.m. No person shall enter or remain in park while closed unless under an approved permit for usage. Parking in lot is prohibited while park is closed. Vehicles shall be towed and stored at owners expense.

ORDINANCE 95-1056: MANDATORY PICNIC SHELTER PERMIT

There is a \$35 fee for a full day use. Permits are available through the Parks & Recreation Department.

ORDINANCE 95-1057: USE OF CITY PARKS BY LARGE GROUPS

Groups of 25 or more now need to obtain a permit to utilize any portion of a park in order as to not deprive others of the free and unimpeded use of park space. There may be a cost for such a permit depending on area used. Permits are available through the Parks & Recreation Department.

ORDINANCE 95-1058: USE OF AMPLIFIED MUSIC IN PARKS

The area where music can be played and direction of speakers shall be agreed upon by permittee and City staff. Amplified music shall only be broadcast between the hours of 10 a.m. and 7 p.m. during daylight savings time and 10 a.m. and 6 p.m. during standard time. There is no fee for this permit.

Volunteers: "Carson Wants You"

Volunteerism has always been the backbone of the American way of life, from the Red Cross worker who lends a helping hand to victims of natural disasters to the volunteer coaches who teach our children about sports and fair play. In Carson, volunteerism remains a vital force in keeping public services available to residents of the city.

Volunteers have made a difference. They have often unselfishly pitched in and given valuable time in delivering important services that otherwise could not be provided. If you would like to make a difference and are willing to give of your time and effort to Carson's recreation programs, you are encouraged to contact your neighborhood park or City Hall Annex at (310) 847-3570.
