CITY OF CARSON POSITION STATEMENT

Carson is a vibrant city with a small town atmosphere where relationships are important. This is clearly visible throughout the community, from the stable single family neighborhoods, which make up nearly eighty percent of the city's residences, to the partnership between businesses and volunteer driven agencies which strengthen the city's remarkable social fabric.

The social composition of Carson is California in miniature. It is a city with a balanced ethnic and cultural mix living together in harmony and prosperity.

The community takes pride in the large percentage of Carson students who attend college, many to California State University, Dominguez Hills, a valuable asset to the city.

Carson's strategic position in the heart of the powerful economic engine that is Southern California attracts international corporations which recognize the city's bright future. The city's proximity to the West Coast's two major ports, as well as its intersection by four Southland freeways, makes it a major gateway to the Pacific Rim.

We, the people who live and work in Carson, take pride in our city and will continue to build relationships which ensure that future.

A MESSAGE FROM THE CITY TREASURER

The City of Carson has established a Fraud Hotline to fight fraud and protect taxpayer's dollars. The Hotline is an option for anyone wishing to anonymously report illegal or unethical activity on the part of the City, its officials, employees, contractors or vendors. The Hotline is open 24 hours a day, 7 days a week and interpreters are available in 20 different languages.

Calls placed to the Hotline are confidential and handled by a third party vendor. You do not have to give your name and your call is not recorded through the use of recording devices, caller identification equipment or any other means.

The City of Carson has taken a pro-active step against fraud by establishing the Hotline. In the event that you become aware of unethical, illegal or irresponsible activity, don't ignore it. Call the Fraud Hotline toll-free telephone number at 1-877-7 HOT TIP or 1-877-746-8847.

FINE ARTS

Cultural Activities & Programs

The City of Carson Fine Arts Section values the services of our community based arts and cultural organizations and the artists whose work enriches our community. The City of Carson has allocated funding for these skills to be taught to or performed by Carson residents. Our goal is to provide fine arts programs based on diverse interests and needs and to serve a wide range of citizens who are not already served. The following 11 organizations were funded for fiscal year 2008-2009.

Carson Dominguez Hills Symphony Orchestra

The symphony is currently under the direction of Hector Salazar, and has been honored nationally for its artistic excellence. The Symphony will present its annual Children's Concert, where nearly 3,000 local schoolchildren are introduced to a variety of music and the instruments in the orchestra. All musicians are invited to audition for membership in the orchestra. For audition information, please call the University Music Department at (310) 243-3543.

Apollo West Carson Players

The Apollo West Carson Players Theatre and Drama Workshop is a series of educational training workshops that will include two performance productions. Training workshops include acting, singing, dancing, technical, production training, professional computerized lighting board, and stage management. Program goals include providing a cultural arts outlet and theatre arts skills training for "at risk" youth and adult Carson residents, teaching self-expression and self-esteem. For more information, please call (310) 212-7955.

Art in Motion Youth Dance Co is presenting a production and outreach program. The program was funded in an effort to offer participation to local youth at minimal costs. The funding includes production costs, choreographer, theater rental, set design, and promotional materials. For more information, call Elaine Glover at (310) 808-0098.

Cultural Activities & Programs

PASS stands for Pacific American Student Services. This program will allow community residents and students from Carson schools to participate in the Asian/Pacific Islander Heritage Month Celebration at Cal-State Dominguez Hills. The program includes Polynesian dances, cultural activities, student tours of the college, a school dance exhibition, speakers, cultural workshops, and vendors.

Vivian McClure's Theatre Productions will rotate to three elementary schools this year. The schools host this six-week program that becomes a part of the schools' spirit through participating and working together to create a full-scale 40-minute one-act play. These plays are complete with sets, costumes, and lighting equipment that are provided in a touring package. More than 40 children are selected through reading auditions to play the parts and work the stage equipment as the stage crewmembers. Students rehearse the play and learn the technical jobs to put it all together in performances for student body assemblies and a one evening performance. This six-week program reaches an audience of 3,600 students and Carson residents each year.

The Filipinas Chorale, U.S.A. & the Cherubs under the direction of Sr. Marie Vincent Llamzon, is a 36 member choir whose musical versatility is demonstrated in its repertoire ranging from traditional sacred songs, popular classics, Broadway musical numbers, and folk songs. The choir's dynamic character is matched by its simple yet elegant costumes and tasteful choreography. "The Cherubs" is a children's choir composed of boys and girls ranging in ages of 5-15 years, who together with the Filipinas Chorale, have performed in successful choral concerts. These amazing children bring joy to the heart with their vibrant songs and dance numbers. For more information, call (310) 635-0509.

Asociacion Cultural - La Academia de Mariachi, the Asociacion's first program, teaches youth the history and the art of traditional Mariachi music. Classes are also offered as an after school program on Wednesdays from 3:30 -6:00 p.m. at the Community Center. The Academy's second program, El Coro Alegria de Carson, is an out growth of the Mariachi Academy. The Asociacion has modified the basic one-on-one format into a Coro, or Choir. Here the emphasis for progress is on building the student's self-esteem. Coro classes are offered on Fridays at the Congresswoman Juanita Millender-McDonald Community Center. For more information, please call (310) 628-7851.

FINE ARTS

Cultural Activities & Programs

Positive Images of Self Expression (PISE) is an 11-day summer intensive program of performing art workshops that focus on the areas of drama, modern/jazz, ballet, and tap to children ages 10-17. With this experience youth will have an avenue in which to discover hidden talents and express themselves through a positive vehicle called art. Upon completion of the workshops, participating children will share their talents of self esteem, commitment, and teamwork through a mini-musical entitled "High School Drama."

CSUDH Community Wind Ensemble serves as a performance outlet for many Carson Residents who play instruments found in the wind ensemble, but no longer have an appropriate outlet for their talent. The wind ensemble serves Carson residents both as a performance outlet and as a town band that performs at civic functions. The group rehearses on Wednesday evenings from 7:00 p.m. to 9:45 p.m. on the CSUDH campus. For more information, contact Dr. Richard Kravchak at (310) 243-3947.

Office of Samoan Affairs Performing Arts is an outreach program targeting Samoan/Pacific Islander youth with interests in cultural performances of traditional and modern dances, music, instruments, such as the ukulele, short skit performances, script development, and theatrical production and performance. The goal often project is to build confident youth leaders to celebrate and uplift their cultural identity and to take pride in their cultural values, morals, and ethics. These skills will also be showcased at various City sponsored events.

Francisco Martinez Dancetheatre

conducts one long term and two short term dance residencies at local elementary schools, culminating in student-generated choreography. At the end of the season, students are invited from local elementary schools to attend a performance of the FMDT's Cancionero at the Community Center and/or CSUDH Theatre.

FINE ARTS

The following are excellent programs which have been funded in the past, but did not receive Fine Arts funding this year:

The Carson Art Association is a non-profit fine arts organization that recognizes traditional mediums. The Association was formed for the development of art and to promote art awareness in our community. Monthly meetings are held the first Tuesday of each month at 7:00 p.m. After a short business meeting, a guest demonstrating artist or speaker is featured. Admission is free. For more information, call the Fine Arts Department at (310) 952-1705.

CSUDH University Art Gallery opened in 1978, and has over 2,000 square feet of exhibition space and 18' high ceilings. It can accommodate large-scale paintings and sculptures by artists of local and national reputation. There are five exhibitions a year, the last being a multimedia show of works by graduating seniors in the Art Department. The gallery is also used as a forum for student art critique classes, discussions with artists, university and community guest lecture series and events, provides tours to university classes, community groups and school groups, and gives an opportunity for students and interns to participate in gallery installations and management.

International Printing Museum program brings the Printing Museum's traveling educational program, "A Museum on Wheels: Ben Franklin's Colonial Assembly" to the schools in the City of Carson. This program is a two-hour presentation that brings to life the world of books, inventions, history, science, American History and the life of Dr. Benjamin Franklin. The Printing Museum is a living, working experience of the evolution of mankind's single greatest invention - the printed word. Visitors to the museum will experience personal working tours by knowledgeable guides who will make history come to life for visitors of all ages.

Kids Club After-School Child Care

Solution For Latchkey Children

About 14 percent of children age 12 and younger are latchkey kids, but they spend only about an hour home alone after school. Studies from the Census Bureau estimate that as many as ten million youth are left home alone, every afternoon - every day of the week. Due to several socioeconomic factors, the number of latchkey kids is substantial, and the already alarming numbers are rising.

Carson's solution to the growing problem is Kids Club, a safe environment for latchkey children. The Kids Club was designed to provide a much needed alternative for single and dual working parents by offering supervision for children from 2:30 - 6:00 p.m., Monday through Friday. The City of Carson's Parks and Recreation Department administers this program through the Recreation Division.

Volunteers: "Carson Wants You"

Volunteerism has always been the backbone of the American way of life, from the Red Cross worker who lends a helping hand to victims of natural disasters to the volunteer coaches who teach our children about sports and fair play. In Carson, volunteerism remains a vital force in keeping public services available to residents of the city.

Volunteers have made a difference. They have often unselfishly pitched in and given valuable time in delivering important services that otherwise could not be provided. If you would like to make a difference and are willing to give of your time and effort to Carson's recreation programs, you are encouraged to contact your neighborhood park or City Hall Annex at (310) 847-3570.
