

# COMMUNITY SURVEY TOOLKIT

This toolkit is intended to help our community partners **distribute the LA County Public Works' Community Survey** on the new pocket park being developed at the Dominguez Channel. The goal of this survey is to hear directly from community members about their interests and ideas for the space to help ensure their needs are being prioritized in this revitalization effort.

*This survey is available in English and Spanish. The survey can be found by scanning the QR Code.*

The screenshot shows a social media post with a light blue background. At the top left is a lightbulb icon. The main text asks for ideas for a pocket park at the Dominguez Channel. It includes the event date (Thursday, September 22, 2022, 6pm-8pm) and location (Carson Event Center). A call to action on the right says 'You can also share your ideas through our survey!' with a link to the survey. The bottom of the post features logos for LA County Public Works and the City of Carson, along with engagement icons (heart, comment, share, bookmark) and statistics (100k views, 1205 comments, 1 day ago).
