

Noes: Chairman Pro Tem Gipson, Agency Member Santarina, Agency Member Williams, and Agency Member Davis-Holmes
Abstain: None
Absent: None

Upon inquiry, Agency Attorney Wynder clarified that a proposal to narrow the employment options would be appropriate in a new motion.

It was moved to include law enforcement, school districts, universities and colleges and would include the Los Angeles Community College District, Cal-State University System, and UC System, Los Angeles County Fire Department, Los Angeles Unified School District, Compton School District, that were represented in Carson, and all Carson residents, which was not considered due to lack of a second.

It was moved to Approve the staff recommendation and to change the availability of the Universal Funds to be available to the following: Los Angeles Unified School District teachers, employees of the Los Angeles County Fire and Sheriff's Departments, employees of California State University Dominguez Hills, people who work in Carson, and Carson residents, seconded by Santarina and unanimously carried by the following vote:

Ayes: Chairman Dear, Chairman Pro Tem Gipson, Agency Member Santarina, Agency Member Williams, and Agency Member Davis-Holmes
