

shall conform to height, setback, lot coverage, architectural review, site plan review, fees, charges, and other health, safety, and zoning requirements generally applicable to construction in the zone in which the property is located. A consortium with more than one developer may be permitted to achieve the threshold amount for the available density bonus with each developer's density bonus equal to the percentage participation of the developer. This facility may be located on the project site or may be located offsite as agreed upon by the developer and local agency. If the child care facility is not located on the site of the project, the local agency shall determine whether the location of the child care facility is appropriate and whether it conforms with the intent of this section. The child care facility shall be of a size to comply with all state licensing requirements in order to accommodate at least 40 children.

(c) The developer may operate the child care facility itself or may contract with a licensed child care provider to operate the facility. In all cases, the developer shall show ongoing coordination with a local child care resource and referral network or local governmental child care coordinator in order to qualify for the density bonus.

(d) If the developer uses space allocated for child care facility purposes, in accordance with subdivision (b), for any purposes other than for a child care facility, an assessment based on the square footage of the project may be levied and collected by the city council, including a charter city council, city and county board of supervisors, or county board of supervisors. The assessment shall be consistent with the market value of the space. If the developer fails to have the space allocated for the child care facility within three years, from the date upon which the first temporary certificate of occupancy is granted, an assessment based on the square footage of the project may be levied and collected by the city council, including a charter city council, city and county board of supervisors, or county board of supervisors in accordance with procedures to be developed by the legislative body of the city council, including a charter city council, city and county board of supervisors, or county board of supervisors. The assessment shall be consistent with the market value of the space. Any penalty levied against a consortium of developers shall be charged to each developer in an amount equal to the developer's percentage square feet participation. Funds collected pursuant to this subdivision shall be deposited by the city council, including a charter city council, city and county board of supervisors, or county board of supervisors into a special account to be used for childcare services or child care facilities.

(e) Once the child care facility has been established, prior to the closure, change in use, or reduction in the physical size of, the facility, the city, city council, including a charter city council, city and county board of supervisors, or county board of supervisors shall be required to make a finding that the need for child care is no longer present, or is not present to the same degree as it was at the time the facility was established.

(f) The requirements of Chapter 5 (commencing with Section 66000) and of the amendments made to Sections 53077, 54997, and 54998, by Chapter 1002 of the Statutes of 1987 shall not apply to actions taken in accordance with this section.

(g) This section shall not apply to a voter-approved ordinance adopted by referendum or initiative.
