

following conditions are met:

- (1) One or more cities within the county agree to increase its share or their shares in an amount equivalent to the reduction.
 - (2) The transfer of shares shall only occur between a county and cities within that county.
 - (3) The county's share of low-income and very low income housing shall be reduced only in proportion to the amount by which the county's share of moderate- and above moderate-income housing is reduced.
 - (4) The council of governments or the department, whichever assigned the county's share, shall approve the proposed reduction, if it determines that the conditions set forth in paragraphs (1), (2), and (3) above have been satisfied. The county and city or cities proposing the transfer shall submit an analysis of the factors and circumstances, with all supporting data, justifying the revision to the council of governments or the department. The council of governments shall submit a copy of its decision regarding the proposed reduction to the department.
- (b) The county and cities which have executed transfers of regional housing need pursuant to this section shall amend their housing elements and submit them to the department for review pursuant to Section 65585.

All materials and data used to justify any revision shall be made available upon request to any interested party within seven days upon payment of reasonable costs of reproduction unless the costs are waived due to economic hardship. A fee may be charged to interested parties for any additional costs caused by the amendments made to former subdivision (c) of Section 65584 that reduced from 45 to 7 days the time within which materials and data were required to be made available to interested parties.

(c) In the event an incorporation of a new city occurs after the council of governments, or the department for areas with no council of governments, has made its final allocation under this section, the city and county may reach a mutually acceptable agreement on a revised determination and report the revision to the council of governments and the department, or to the department for areas with no council of governments. If the affected parties cannot reach a mutually acceptable agreement, then either party may request the council of governments, or the department for areas with no council of governments, to consider the facts, data, and methodology presented by both parties and make the revised determination.

The revised determination shall be made within one year of the incorporation of the new city based upon the methodology described in subdivision (a) and shall reallocate a portion of the affected county's share of regional housing needs to the new city. The revised determination shall neither reduce the total regional housing needs nor change the previous allocation of the regional housing needs assigned by the council of governments or the department, where there is no council of governments, to other cities within the affected county.

65584.1. Councils of government may charge a fee to local governments to cover the projected reasonable, actual costs of the council in distributing regional housing needs pursuant to this article. Any fee shall not exceed the estimated amount required to implement its obligations pursuant to Section 65584. A city, county, or city and county may charge a fee, not to exceed the amount charged in the aggregate to the city, county, or city and county by the council of governments, to reimburse it for the cost of the fee
