

(1) An agreement has been executed between the county and the receiving city or cities, following a public hearing held by the county and the receiving city or cities to solicit public comments on the draft agreement. The agreement shall contain information sufficient to demonstrate that the county and city or cities have complied with the requirements of this section and shall also include the following:

(A) A plan and schedule for timely construction of dwelling units.

(B) Site identification by street address for the units to be developed.

(C) A statement either that the sites upon which the units will be developed were identified in the receiving city's housing element as potential sites for the development of housing for lower-income households, or that the units will be developed on previously unidentified sites.

(D) The number and percentage of the county's lower-income housing needs previously transferred, for the appropriate planning period, pursuant to this section.

(2) The council of governments that assigned the county's share receives and approves each proposed agreement to meet a portion of the county's fair share housing allocation within one or more of the cities within the county after taking into consideration the criteria of subdivision (a) of Section 65584. If the council of governments fails to take action to approve or disapprove an agreement between the county and the receiving city or cities within 45 days following the receipt of the agreement, the agreement shall be deemed approved.

(3) The city or cities in which the units are developed agree not to count the units towards their share of the region's affordable housing need.

(4) The county and the receiving city or cities, based on substantial evidence on the record, make the following findings:

(A) Adequate sites with appropriate zoning exist in the receiving city or cities to accommodate the units to be developed pursuant to this section. The agreement shall demonstrate that the city or cities have identified sufficient vacant or underutilized or vacant and underutilized sites in their housing elements to meet their existing share of regional housing need, as allocated by the council of governments pursuant to subdivision (a) of Section 65584, in addition to the sites needed to construct the units pursuant to this section.

(B) If needed, additional subsidy or financing for the construction of the units is available.

(C) The receiving city or cities have housing elements that have been found by the Department of Housing and Community Development to be in compliance with this article.

(5) If the sites upon which units are to be developed pursuant to this section were previously identified in the receiving city's housing element as potential sites for the development of housing sufficient to accommodate the receiving city's share of the lower income household need identified in its housing element, then the receiving city shall have amended its housing element to identify replacement sites by street address for housing for lower-income households. Additionally, the Department of Housing and Community Development shall have received and reviewed the amendment and found that the city's housing element continues to comply with this article.

(6) The county and receiving city or cities shall have completed, and provided to the department, the annual report required by
