

City of Carson Report to Mayor and City Council

December 21, 2010
New Business Consent

SUBJECT: CONSIDER ACCEPTANCE OF REVENUES AND THE APPROPRIATION OF THE FUNDS FROM THE TRANSITIONAL SUBSIDIZED EMPLOYMENT PROGRAM

Submitted by Clifford W. Graves
Economic Development General Manager

Approved by Jerome G. Groomes
City Manager

I. SUMMARY

The Transitional Subsidized Employment (TSE) Program has provided jobs for thousands of residents in Los Angeles County. Carson placed 98 workers in the previous round of TSE. A new version will be starting soon. Council action is needed to accept the funds to be received and appropriate those funds to cover the related expenses. Total program income more than offsets the program costs.

II. RECOMMENDATION

TAKE the following action:

1. ACCEPT the projected Transitional Subsidized Employment revenues of \$60,000.00.
2. INCREASE the FY 2010/11 projected general fund revenues in account number 01-00-999-881-4545 by \$60,000.00 to account for this additional revenue.
3. APPROPRIATE \$50,000.00 to account number 01-70-730-881-6005 and \$10,000.00 to account number 01-70-730-881-6009 to cover the cost to operate the Transitional Subsidized Employment program.
4. APPROVE entering into an agreement with Michael Seale for an amount not to exceed \$50,000.00 and AUTHORIZE the Mayor to execute the agreement following approval as to form by the City Attorney.

III. ALTERNATIVES

TAKE another action the City Council deems appropriate.

IV. BACKGROUND

Over the last year, the TSE program was tremendously successful, with thousands of people placed in the county as a whole. Wages, workers compensation and other direct costs were covered by the program, which made it very popular. The program ended September 30, 2010.

13.

A new TSE program is about to begin. It is significantly smaller, and employers may need to contribute a portion of the costs. Those costs are still under consideration by the county. Participants will receive up to 606.4 hours of paid experience at \$8.00 per hour. The South Bay Workforce Investment Board (WIB) is calling these jobs paid work experience or internships.

As with the previous round, the TSE program works as follows: the placing agency, in this case Carson, receives \$1,200.00 per person placed and will receive an additional \$400.00 for each person who obtains unsubsidized employment at the end of the program. The WIB is awaiting the allocation of positions, and Carson expects to receive 50 or more positions.

The city contracted with Michael Seale to operate the earlier TSE efforts. While the city's goal was 50 positions, he filled 98 and got permanent positions for a large number of them. The final tally is still months away but will likely exceed 50%. Considering the lack of skills many participants had, that is an excellent result. A draft agreement is attached (Exhibit No. 1).

With Los Angeles County expecting to release the program in January, beginning these efforts now will allow Mr. Seale to begin lining up employers and then place workers right away. Based on the earlier program, he will focus on organizations that had positive experiences and made participants work-ready. He has already been working with the County Department of Social Services in anticipation of holding orientation meetings and soliciting participants who are likely to succeed in the program.

V. FISCAL IMPACT

Total program revenues are estimated to be \$60,000.00 for the initial placements assuming 50 people. If they are permanently placed, the city will receive \$400.00 per person. Again assuming 50 placements, that could amount to \$20,000.00. The cost of administering the program is estimated at \$60,000.00, so there would be a net positive impact to the general fund with each additional placement.
