## **IV. BACKGROUND**

On the morning of July 9, 2012, David Flores, Jr. was driving his truck southbound on Figueroa Street, south of the 405 freeway. Witnesses observed Mr. Flores driving slowly and hitting the raised median numerous times. Eventually, his truck came to a stop against the center median. This was when passersby noticed that Mr. Flores was slumped over the steering wheel. A citizen called 911 and paramedics quickly arrived. They immediately noted bullet wounds to the victim's right side. Mr. Flores was pronounced dead a short time later. There were no witnesses to the shooting; however, evidence suggests that he was shot in front of 22311 Figueroa Street.

In an effort to locate the assailant(s) of this murder, the City Council is asked to consider establishing a reward fund in the amount of \$10,000.00. The reward is
