Secretary K. Cortado pulls item 7 under the Consent Calendar for further discussion.

Commissioner O. Ramos (1st) Motion to RECEIVE and FILE items 5 and 6, Commissioner K. Hilliard 2nd, Motion passes unanimously.

Secretary K. Cortado inquired about the Programs-At-A-Glance for Carriage Crest, Carson, Mills, Stevenson, and Veterans Parks. She also questioned why the Cesar E. Chavez Tribute special event is being held at Dominguez Park instead of the Community Center as it has been held there in the past.

Acting Director M. Whittiker reported that the department will try to move away from holding most Special Events at the Community Center moving forward and instead schedule these events at the parks. The concentration is to rebrand the Community Center as an actual event center and focus more on renting the facility to the public thus raising revenue for the Community Center.

Superintendent T. Grierson stated that the Division Secretary collects and inputs the information for the Programs-At-A-Glance received from the park supervisors. At the time of agenda posting there was nothing to report for the parks in question.

COMMISSIONERS' ORAL COMMUNICATIONS / PARK REPORTS

Commissioner O. Ramos spoke about his visit to Foisia Park. He was very happy to see that the issues he had previously raised have been cleared. He would like to see a marquee for Foisia Park resemble the one at Veterans Park.

Commissioner K. Hilliard stated that Pickleball is still going strong at Hemingway Park.

Commissioner D. Langston did not have anything to report on the parks.

Commissioner C. Dunning visited Del Amo Park and was very happy to see that all the basketball goals have been put in place.

Secretary K. Cortado would like to add an item to the next agenda to present an appreciation certificate to a lady that has gotten a group together to pick up trash at the parks. So far she has been to 12 of Carson's parks. Secretary K. Cortado has not been able to visit her assigned parks due to her health issues.

Commissioner C. Dahilig has made regular visits to Dolphin Park and is pleased that his main concern regarding the cleaning of leaves has been attended to. His only other concern is that the restrooms should be open when the park is open. He spoke to Yvonne at the park and notified her of his concern.

Commissioner J. Johnson reported that the playground at Anderson Park is still closed because it is deemed unsafe. There is also caution tape around the tree she had previously raised concerns about however that tape is not secured very well, possibly because of the winds and is an eyesore. Commissioner J. Johnson's main concern at this time is that the park will not be ready for Earth Day scheduled for April 9 and the Spring Eggstravaganza scheduled for April 16. Also, the air conditioning in the Main Activity Room is non operable and the sink is leaking. She is also concerned about the locks at the tennis court and parking lot.

Vice-Chair A. Cainglet requested a glance summary of CIP projects for each park be added to future agendas. Also reiterated Commissioner J. Johnson's concern regarding the locks at the parking lot of the parks and the tennis courts. Aside from it being a safety issue it may also be a liability issue.

STAFF ORAL COMMUNICATIONS

Superintendent T. Grierson stated that the CIP project summary can be brought back at the next commission meeting as he works closely with the Public Works team on these projects.

Acting Director M. Whittiker reminded everyone that the Black History program will be held this Saturday, February 26th from 12:00 p.m. to 3:00 p.m. at the Community Center. Also coming up this Saturday is "Quiet Saturday" at the

basketball gymnasiums. This event is organized once a year; players and spectators alike will play and support their teams in silence inside the gyms. The Redistricting meeting will be held this Saturday as well at Stevenson Park at 10:00 a.m. Pickleball will be held at Foisa Park this Saturday from 10:00 a.m. to 2:00 p.m.

Acting Director M. Whittiker addressed concerns regarding Anderson Park voiced by Commissioner J. Johnson. He stated that he had the opportunity last week to meet with the Public Works Superintendent of Maintenance, Recreation Superintendent T. Grierson, and all the Maintenance Supervisors from Public Works to report the issues expressed by Commissioner J. Johnson at the previous meetings. Those matters are being worked on to be resolved as quickly as possible.

ADJOURNMENT

Commissioner J. Johnson (1st) Motion to Adjourn meeting, Secretary K. Cortado 2nd, Motion passes unanimously.

This meeting was adjourned at 8:55 p.m.

This Commission is subject to the Ralph M. Brown Act. Among other things, the Brown Act requires that the Commission agenda be posted at least 72 hours in advance of each meeting and that the public be allowed to comment on agenda items before the Commission and items not on the Commission agenda but are within the subject matter jurisdiction of the Commission. The Commission may limit public comments to a reasonable amount of time, generally three (3) minutes per person.

Tim Grierson, Recreation Superintendent
Dani Cook, Human Services Manager
Adrian Reynosa, Community Center Manager
Jason Jo, Transportation Services Supervisor

The Community Services Department is comprised of 3 divisions: Administration, Community Services, and Recreation. The Department delivers services and programs to support citizens' diverse interests in parks, recreation, and culture. This includes operating and maintaining twelve (12) parks and four (4) mini-parks, two (2) aquatic centers and two (2) pools, a sports complex, and a boxing and weightlifting center. The Community Center offers 40,000 square feet of versatile meeting and event space including 12,000 square foot ballroom and meeting rooms that accommodate between 5 and 1,200 guests, and state-of-the-art visual services. And Transportation provides citywide transportation programs related to improving the fixed-route public transit system, specialized elderly and disabled transit, transit support of city park programs, and regional air quality issues.

RECREATION DIVISION

The Reservations Section continues to follow Los Angeles County Rules and Regulations to include COVID-19 information for all reservations indoor and outdoor picnic grass/shelter areas at all parks. As of February 12, 2022, the City of Carson Disaster Council decided to lift the COVID test (proof of negative test result) requirement for all indoor reservations. For the month of February, there were a total of 18 reservations scheduled. Currently, the reservations department reserved 8 indoor (Activity/Recreation Room) and 10 outdoor (picnic grass/shelter) reservations for the month of February. We had over 250 calls and inquiry for park fees and availability.

Prevention and Aftercare services consist of case navigation, resources, and referrals to families with children under the age of 18 in the home. These families are referred by the Department of Children and Family Services (DCFS), other organizations, or can be self-referred. Case navigation consists of one-on-one communication between the case navigator and the family on a weekly basis to discuss struggles, accomplishments, and goals. Extra linkages can be provided to families who do not need case navigation. These linkages may include but are not limited to food giveaways, counseling services, tutoring, or housing services. Case navigation has been taking place via phone/virtually due to COVID restrictions but is slowly going back to in person upon health review with client and comfort levels. Social connection groups that include, Zumba, Yoga, Crafty Club, and Community Garden are on hold until further notice due to COVID.

KIDS CLUB

Kids Club participants continue to test weekly to show proof of their negative COVID test result from school. Staff also continue to provide weekly COVID test results to HR/Risk Management while working the Kids Club program. Hours of operation are Monday thru Friday 2:00 p.m. – 6:00 p.m.

AQUATICS

During the month of February, the Aquatics staff continued to prepare for the Spring Programming that starts on March 7, 2022.

Currently utilizing the pools are the High School Swim Teams and Cal State Dominguez Hills. Carson High School Swim practices Monday through Friday for two (2) hours each day at Foisia Pool. They have approximately 30 swimmers. Rancho Dominguez Preparatory School Swim practices Monday through Friday for two (2) hours each day at Dominguez Aquatic Center. They currently have approximately 10 swimmers. Cal State University of Dominguez Hills hold their swim courses Mondays and Wednesday for two (2) hours each day at Hemingway Aquatic Center. They have approximately about 30 students.

Staff are continuing to assist with the Essentials to Go deliveries on Tuesdays and Thursdays. Staff also recently assisted with First Aid at the Black History Month Celebration on February 26, 2022.

VETERANS SPORTSCOMPLEX

The SportsComplex opened up on February 7, 2022. The GroupEx classes remain the same: Yoga – Tuesday 9:30 a.m.-10:30 a.m.; Zumba – Tuesday 6:00 p.m.-7:00 p.m., Muscle Conditioning – Friday 8:30 a.m.-9:30 a.m.; and Hula Hoop Fitness – Saturday 9:00 a.m.-10:00 a.m. A Salsa Class was added to the program line up scheduled every Friday from 10 a.m. to 11 a.m. Youth Sports games are played inside the Main Gym every Tuesdays, Thursdays, and Saturdays. Lastly, reservation/permits inquiries have increased this month.

February’s total membership dipped by 5% due to the January closure. The Senior/Youth memberships still make up almost 70% of the total memberships. Also starting this month, the public can now get and/or renew memberships online.

CAPITAL IMPROVEMENT PROJECTS

The City received notification on February 14, 2022 that it was not selected for the competitive grant application that was submitted on Thursday, October 28, 2021. City Council approved Resolution No. 21-125 that allows the City Manager to submit applications for grant funds from the Los Angeles County

Regional Park and Open Space District for Measure A Funding. With the approved Resolution No. 21-125, the City of Carson applied for the competitive “Regional Recreation Facilities, Multi-use Trails and Accessibility” grant. The City is seeking a competitive grant just under one million dollars to help fund the Mills Park Improvement Project that includes remote restroom, monument sign, concrete splash pad, picnic shelters (3), and installation of shade structures for playground (2), building entrances, and outdoor fitness area. The City will now move forward with trying to utilize the annual allocations via Measure A to start the Mills Park CIP project. An On-Call Architect will be utilized to complete the drawings to 100% and Public Works assistance will be needed for the RFP and project management. Recreation’s goal is to get this project ready for Public Works in April/May 2022.

On February 1, 2022, the City of Carson submitted two Land Water Conservation Fund (LWCF) applications. The two (2) applications for matching grants were for Carriage Crest Park for \$5,900,000 and Foisia Park for \$4,250,000. The applications are now being reviewed by State of California-Office of Grants and Local Services (OGALS). There is no timeline on when awards will be announced.

SPECIAL EVENTS

BLACK HISTORY MONTH CELEBRATION

On Saturday, February 26, 2022, the annual Black History Month Celebration was held outdoors at the Carson Event Center. The highlight of this event was the unveiling of the City’s new mobile stage. Vibrant stage banners flanked the sides and the top of the stage, and there was plenty of room for a 14-piece band. The event itself welcomed approximately 250 people who enjoyed live entertainment, food trucks, and a variety of vendors. The tribute to Stax Records was well-received, and the weather cooperated for a beautiful outdoor event.

COMMUNITY SERVICES DIVISION

HUMAN SERVICES

STROKE CENTER

The Stroke Center is open Monday through Thursday from 8:30 a.m. – 4:30 p.m. As of February 15th, Occupational Therapy has moved back indoors and is available twice a week by appointment ONLY. Every Monday (except holidays requiring closure) from 9:00 a.m. – 3:00 p.m., Dr. Penoliar will treat five (5) patients while being observed by his four (4) CSUDH interns, allowing sufficient time for patient planning, treatment, and discussion. Dr. Penoliar will then add a day each week, without the interns, to see an additional five (5) patients between 9:00 a.m. and 3:00 p.m. to allow for the ever-growing population of our Occupational Therapy clients.

Wednesdays and Thursdays are open by appointment ONLY for Equipment Exercise usage, as scheduled by the Stroke Center staff, considering space, distancing, and availability, and allowing for more consistent movement, exercise, and socialization opportunities for our stroke survivors. Soon, additional classes will be inserted into the non-therapy days, based on member interest and safety.

The Stroke Center staff, led by Mr. Nathan Caukin and fully supported by Mr. Tony Zuniga, are always on hand for scheduling and to provide assistance and general supervision of the Stroke Center. During each patient’s appointment, they are also present to ensure that all COVID-19 protocols are adhered to by staff and patrons alike. In addition, the Stroke Center is cleaned and sanitized after each patient/member appointment, and a deeper, more thorough cleaning is completed at the end of each day by custodial staff.

SENIOR RECREATION

Senior Recreation continues to administer Virtual Zoom fitness and dance classes lead by two (2) designated staff members. These classes are held Tuesday through Thursday from 9:30 a.m. – 10:30 a.m., with a fluctuation of attendance ranging from 6 to 15 students per class.

Senior Recreation resumed all in-person classes on February 7th, at Carson Park and Stevenson Park inside the gymnasium, which include; Zumba, Yoga, Hula Hoop, Functional Fitness, Zumba Gold, Line Dancing, and an open fitness room with workout equipment. All classes are held Monday through Friday, from 8:30 a.m. to 10:30 a.m., with a fluctuation of attendance ranging from 16 to 55 participants per class. Two (2) on-site staff members are available to check participants in, perform temperature checks, ensure all participants wear masks correctly, and the facility is cleaned and sanitized.

On February 7th, Foisia Park resumed drop-in open fitness room with workout equipment and open basketball for senior participants. The program operates Monday through Friday from 8:00 a.m. – 10:30 a.m. In addition, two staff members are available to check participants in, perform temperature checks, ensure participants wear their masks appropriately and the facility is cleaned and sanitized.

SENIOR SOCIAL SERVICES

Senior Social Services was able to begin several of our in-person programs again in February while continuing to assist telephonically. Staff continues to do everything possible to ensure homebound seniors can stay at home safely while having their essential needs met. Contactless visits resumed with Geriatric Aides providing lunches to seniors throughout the week and running errands, including trips to the grocery store and pharmacy, and assisting with essential chores that keep seniors home safe while maintaining their independence. With increased referrals, seniors continue to be added to our list of contactless visits for this type of assistance.

The Assisted Living program helps other departments, including Code Enforcement, Housing, and Transportation. With the assistance of the Geriatric Aide staff, the coordinator visits seniors who have no means of transportation to assist with completing Dial-A-Ride applications (DAR), Carson Essentials 2.0 verification, Code Enforcement Hoarding cases, and general welfare checks.

Keeping abreast of resources developed through the county, state, and federal programs have been essential in providing our seniors with the latest programs they may be eligible for, along with organizations and community partners that continue to offer virtual programming. In addition, welfare checks continue in collaboration with the county’s adult protective services and the Carson Sheriff station, and calls regarding Homelessness and housing continue to increase.

Participants were extremely excited about the Senior Share program, Bereavement Support Group, and Caregiver Support Groups that resumed in February. Additional programming will continue, including the requested educational courses on Aging, Fraud, and Financial Planning.

The Kiwanis of Carson provided Valentine Silver Cheer, and a staff-driven Silver Cheer is scheduled for March to celebrate St. Patrick’s Day. In addition, planning has begun for a second Mental Health Resource event. The event will be held virtually on May 7th, with panelists and breakout sessions from 11 a.m.-2 p.m.

The Homeless Count, that the LAHSA previously postponed due to uncertainties regarding the COVID-19 surge, happened in collaboration with the Sheriff’s Department on February 23rd at the Community Center as a drive-thru event. The volunteers worked with pre-teams of individuals they knew, everyone adhered to COVID-19 guidelines and remained inside their cars, and all tracts completed. Results of the count will be available this summer.

EARLY CHILDHOOD

For February, Early Childhood focused on friendship. All teachers set up hands-on, engaging activities indoors and outdoors to promote and teach kindness. All children learned how to build friendships through play, art activities, and working together as a team.

Friendships help children develop emotionally and morally. By interacting with friends, children learn many social skills, such as how to communicate, cooperate, and problem solve.

The approximate revenue for the month of February is \$31,345.

THERAPEUTIC RECREATION

Skill Builders Occupational Therapy began this month in partnership with California State University Dominguez Hills, OT Department. This class allows participants/guardians to identify skills they would like to improve such as activities of daily living, motor skills, increase strength, and much more. The Virtual Social Club and Adventures in Art classes are still ongoing through March. Some highlights included Valentine’s Day stamp art, a virtual field trip to Wilson Sporting Goods Factory, and tote bag decorating.

The approximate revenue for the month of February was \$150.00.

SPECIAL INTEREST CLASSES

Start Smart Basketball began February 14, 2022, at Carson Park, with classes filled and all registration and payments successfully taken via ActiveNet. Classes run from 5:15 p.m.–6:00 p.m. Monday, Tuesday,

and Wednesday evenings and will run until mid-April, culminating with a “Trophy Ceremony” after the last class on each day.

Staff is working on reimplementing our Early Start Education program for the fall season and currently researching staff, location, and participant interest.

COVID TASK FORCE

The COVID Task Force was initially created to assist the community with emergency programs and resources needed for the COVID-19 pandemic. However, over the past year, the needs of the community have evolved from assisting and feeding many residents, to providing COVID testing, supporting homebound seniors, collaborating with outside organizations, and providing vaccinations.

Staff’s biggest challenge was creating innovative ways to deliver these services to an elderly population with little technical knowledge. To solve this issue, staff created call centers to answer questions from the community, provide welfare checks to homebound seniors, and distribute flyers of all current programs, including our daily Grab-N-Go lunch program.

COMMUNITY CENTER

RENTALS

Beginning February 12, 2022, per the City of Carson Disaster Council, attendees are no longer required to furnish proof of a negative test result to enter the facility. We continue to temperature scan all incoming guests and require masks to be worn at all times, unless seated to eat/drink.

The Community Center is open for rentals. Data for the month of February is as follows:

FACILITY IMPROVEMENTS

The Audio-Visual (A.V.) upgrades continue in Community Hall ABC. New A.V. panels, cameras and wireless microphone receivers have been installed and will be completed prior to moving forward with the Carson-Dominguez ballroom A.V. upgrades.

Renovations to the Community Center Heating, Ventilation and Air Conditioning (HVAC) system have begun. New electrical lines and a transformer were upgraded to support a new Air Conditioning Chiller system that has been installed. The old air handler unit for the West Wing of the facility has been removed and a new one is being installed with an anticipated completion by the end of March 2022.

TRANSPORTATION

The City of Carson’s Transportation Division provides city-wide transportation programs including fixed-route public bus service, first mile/last mile ride-hail services (Lyft), specialized elderly and disabled transportation (Dial-A-Ride/Access), and bus transportation in support of City parks and youth programs. Transportation also works directly with LA Metro, South Bay Cities Council of Government (SBCCOG), and South Coast Air Quality Management District (AQMD) on a variety of transportation policies, new initiatives, and funding opportunities.

CARSON CIRCUIT

As of September 27, 2021, Long Beach Transit (LBT) is providing fixed-route bus services in Carson across three (3) new routes. Riders can now travel down major surface streets in both directions and make faster connections to major destinations and neighboring bus lines. Service hours and route schedule can be accessed through <https://ridelbt.com/carson/>.

In comparison to the prior month, January ridership saw a decent 10% overall increase. Staff anticipates ridership to gradually grow as riders continue to hear about the new service.

Prior Nov 2021	6,956	18,190	1,729

*Miles traveled while performing route
 **Hours incurred while performing route

In conjunction with this new service, the Carson Circuit was reestablished effective January 3, 2022 as a staff-operated service in the form of two (2) new routes. The new Carson Circuit service runs concurrently with LBT, helping Carson students travel to and from their respective schools, and provide easier connections to LBT and neighboring bus lines.

To better meet the needs of Carson riders, service operates during peak commuting times between 7:00 am – 9:55 am, and again from 2:00 pm – 4:55 pm. These modifications were also supported by the City’s recently completed Comprehensive Operations Analysis, or route study. The launch of this new service is currently being advertised through the City’s social media pages, flyers, and more.

Similarly, to LBT, staff anticipates ridership to gradually increase as more riders learn about the program and its routes. Additional flyers and social media posts will help to promote awareness across the community.

DIAL-A-RIDE

Through the end of the declared pandemic, Dial-A-Ride service has been made available to Carson residents of all ages, with or without disabilities. Participants can order on-demand taxi service and receive a 50% discount off their ride. As of March 2021, Carson residents can take advantage of complimentary no-cost taxi rides to and from any City-designated vaccination site falling within three (3) miles of City boundaries. Taxi drivers will stay with the riders throughout the entire process, ensuring both a safe and worry-free return.

Compared to same-month ridership in 2021, January 2022 experienced a decent increase in ridership of approximately 24%. Much like the surge of the Delta variant in late 2020, the Omicron variant impacted ridership during late 2021, but to a lesser degree.

DIAL-A-RIDE RIDERSHIP⁽¹⁾

	Total Rides	Total Passengers	Avg Trips per Day	Avg Cost per Trip

LYFT

Carson residents are eligible to receive a 50% discount off the cost of their Lyft ride. Riders pay half, City pays half, up to a maximum trip cost of \$20. Participants must be 18 years of age or older to ride alone. Rides must start AND end within City boundaries.

LYFT RIDERSHIP⁽¹⁾

	Total Rides	Avg total cost per trip	Avg trip cost to rider
January 2022	597	\$9.40	\$4.70
January 2021 comparison	411	\$ 7.41	\$3.71
FY 21-22 YTD	4,234	\$11.50	\$5.75
April 2020* - present	9,383	\$ 9.92	\$4.96

*Start of City partnership with Lyft.

Majority of rides took 7-8 minutes in duration, 7.6 miles in distance. Average trip costs are rising due to:

1) increased ride times from traffic returning to pre-pandemic levels and; 2) nationwide shortage of drivers/gig workers.

Compared to ridership during the same time last year, ridership in January 2022 increased by over 45%. This can most likely be attributed to the steady drops in positive COVID-19 cases.

FUTURE PLANS

To compliment the new LBT and proposed Carson Circuit bus routes, staff is working on a future capital improvement plan to purchase new bus shelters and benches. The shelters will be similar to the newer silver models along Carson Street and CSUDH. Staff is working towards replacing all of the remaining shelters by FY 24 in an effort to create a modern and uniform look throughout the City.

Additionally, staff is looking into an acquisition of two (2) electric vehicle (EV) mini shuttle busses as a pilot in coming months. EV busses emit zero greenhouse gasses, which provide a cleaner environment for both riders and residents. Although upfront costs are expected to be significantly high, annual operating costs are expected to be significantly less than diesel/CNG counterparts. Staff is also looking into a discount voucher program which would provide a point-of-sale discount off the overall purchase.

Report to Parks, Recreation and Cultural Arts Commission

**SUBJECT:
CONSIDERATION OF EV BUS PURCHASES**

I. SUMMARY

At the February 24, 2022 meeting of PRCAC, staff presented commissioners with a presentation on electric vehicle (EV) minibuses. With the goal of purchasing two EV minibuses as a pilot, staff issued an Invitation for Bids (IFB) on February 24, 2022.

Responses to the solicitation were submitted by:

Coachwest Luxury & Performance Motorcars, Inc.	\$408,743.38
A-Z Bus Sales	\$520,784.40
Electric Vehicle Conversions (EVC)	\$570,892.50
Creative Bus Sales	\$589,181.90

A-Z Bus Sales, Inc. (A-Z) was selected as the lowest responsive and responsible bidder, with a total bid amount of \$520,784.40. Although the bid from Coachwest Luxury & Performance Motorcars, Inc. came in lower than A-Z, they were not an authorized HVIP dealer at the time of submission, as specified in the solicitation. For any unforeseen expenditures, an additional \$26,039.22 (5%), is requested as contingency, for a total of \$546,823.62 before discounts.

On March 30, 2022, A-Z will bid for two discount vouchers on behalf of the City. Should A-Z be successful in obtaining said vouchers, the City will receive an immediate price reduction of \$120,000.

At the March 15, 2022 meeting of the City Council, staff received approval to issue a purchase order to A-Z at a do-not-exceed cost of \$546,823.62 before discounts. This amount is based on A-Z's bid price of \$520,784.40, plus 5% contingency. The \$120,000 discount will be listed on the purchase order as its own line item, resulting in a net cost of \$426,823.62.

As estimated lead times for vehicle delivery are currently 12-18 months out, staff will return to PRCAC at a future meeting to provide an update on the roll-out.

II. RECOMMENDATION

RECEIVE and FILE report.

III. ALTERNATIVES

TAKE any other action the Commission deems appropriate.

V. FISCAL IMPACT

A total appropriation of \$346,823.62 was approved in Proposition C account no. 219-90-940-180-8003, and \$200,000 in Air Quality account no. 225-90-940-276-8003.

There is no impact to the City's General Funds.

VI. EXHIBITS

None.
