The following is an excerpt from RESOLUTION NO. 90-148 (A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CARSON AMENDING RESOLUTION NO. 90-128 ADOPTED OCTOBER 16, 1990 AND ESTABLISHING A SCHEDULE OF BUSINESS LICENSE FEES)

**GENERAL LICENSE** - Base of Minimum License Fee. Every person conducting any business, profession, trade or occupation in the City of Carson, and required to pay a license fee under the provisions of Chapter 3, Article VI of the Carson Municipal Code shall pay a base or minimum license fee of \$218.00 for a license for a duration of one (1) year, unless a different base fee or duration is otherwise specifically provided.

License Fee Based on Average Number of Employees. Every person conducting any business, profession, trade or occupation in the City of Carson and required to pay a license fee under the provisions of Chapter 3, Article VI of the Carson Municipal Code, and having an average number of persons employed in excess of five (5), such number to be determined as provided in the following Section, shall pay an annual license fee based on \$43.60 for each such person employed, and the base or minimum license fee provided for in this Section shall be applied to the first five (5) persons employed, unless otherwise specifically provided.

Determination of Average Number of Persons Employed. The average number of persons employed, when the annual license fee is based thereupon, shall be determined as follows:

(a) If the applicant or licensee has conducted the business concerned for at least one (1) year and one (1) month prior to the due date of the license fee, by ascertaining, with respect to the period of one (1) year immediately preceding the calendar month immediately prior to the due date of the license fee, the following:

(i) The total number of employees each of whom performed at least 1800 hours of service for such business during said period; and

(ii) The total aggregate number of hours of service performed for such business by all other employees during said one (1) year period, divided by 1800, and by adding the numbers thus derived in (i) and (ii). The total thus obtained shall be the average number of persons employed in said business for the purpose of this Resolution.

(b) If the applicant or licensee has conducted such business for more than two (2) months but less than one (1) year and one (1) month, by ascertaining, with respect to the period from the date of commencement of the business through and including the month immediately preceding submittal of the license application, the following:

(i) The total aggregate number of hours of service performed for such business by any and all employees; divided by,

(ii) A divisor determined by multiplying the number of months in said period by 150. The total number obtained shall be the average number of persons employed in said business for the purpose of this Resolution.

(c) If the applicant or licensee has not conducted such business at least two full months, the applicant or licensee shall estimate the average number of persons expected to be employed during the year. Such estimate, if accepted by the Director of Finance as reasonable, shall be used in determining the amount of license fee, provided that such determination shall be tentative and the licensee shall, in connection with his first renewal application, furnish the Director of Finance with a verified statement showing the average number of persons employed during the license period determined as provided in subsection (a) or (b) in this Section.

(d) In computing the average number of persons employed, fractions of numbers shall be counted to the nearest whole number.

(e) If a business has a fixed location in the City of Carson, all employees of said business, irrespective of the place where the service of such employees may be performed and all hours of service of such

employees, whether in or outside of the City of Carson, shall be included in the manner provided in subsections (a) and (b), (c) and (d) of this section in determining the average number of persons employed. Provided, however, that if a business having a fixed location in the City of Carson also has other branches, facilities, establishments or offices at fixed locations outside of the City of Carson, or if such business with a fixed location in the City of Carson is itself a branch, facility, establishment or office of a business enterprise with a fixed location outside of the City of Carson, for the purposes of this Resolution the average number of persons employed shall not include employees performing service at such fixed locations outside of the City of Carson or employees who are attached to such fixed locations outside of the City of Carson and who do not perform any service in the City of Carson.

(f) If a business has no fixed location in the City of Carson, all employees of such business who, during the period used in determining the average number of persons employed, perform any service in the City of Carson shall be included in the manner provided in subsections (a), (b), (c) and (d), of this section in determining the average number of persons employed.

Occupation Not as Employee of Another. Every person engaged in the City of Carson in any trade, calling, occupation, vocation, profession, semi-profession, or other means of livelihood, not as an employee of another, and not specifically required to be licensed by other provisions of this Resolution, shall pay the base or minimum license fee provided and such additional license fee, if any, as shall be computed based on average number of persons employed .

**SPECIAL LICENSE FEES FOR CERTAIN BUSINESSES** - The businesses, professions, trades, and/or occupations specifically listed in this Section because of their nature or the circumstances related thereto, shall pay license fees determined in accordance with the provisions of this Section only, for the license term or period specified in this Section or applicable subsections. If no period is so specified the license term shall be annual. In each instance where the word "month," "week", "day", "quarter", or "semi-annual" appears after a specified business, the period so specified shall be the license term, except that if one fee is specified for an annual license and another amount for a license term less than one (1) year preceded by "or," alternative license terms may be obtained for the respective license fees so specified.
