City of Carson Small Business Grant Program

The City of Carson has developed a Small Business Grant Program which is designed to contribute to the overall economic health of the city. The Program features grants with of **up to \$25,000** to assist businesses in the City of Carson based on the guidelines below.

- Businesses are required to state their number of full-time equivalent employees. Businesses with more than 50 full-time equivalent employees are not eligible for this program and those with 20 or fewer employees will have preference.
- Must be a “brick and mortar” business and physically located in Carson. How long the company has been in business in Carson shall be a consideration and factored into the scoring.
- Bonus points will be awarded to business owners belonging to “Underserved small business groups.” Underserved small business groups include women, minorities (people of color), or veteran-owned businesses where the majority (at least 51%) of the business is owned and run by said group(s) on a daily basis.
- Award Determination Scoring Matrix. Using the criteria from the previous section, the City could develop a scoring matrix that assigns a score based on the type of business in the city and how affected it was by COVID-19, with bonus points for other key factors.
