SUBJECT: PRESENTATION OF THE FY 2013/14 CARSON SUCCESSOR AGENCY FUND BUDGET

Submitted by Jacquelyn Acosta
Director of Administrative Services

Approved by Jacquelyn Acosta
Acting Executive Director

I. SUMMARY

As a result of the passage of the Redevelopment Dissolution Act under Assembly Bill 26 (AB1x 26), the Carson Redevelopment Agency ("CRA") was dissolved on February 1, 2012. On June 27, 2012, the California Legislature passed, and the Governor signed, AB 1484 more commonly known as the Redevelopment Dissolution/Winding Down Trailer Bill, the primary purpose of which is to make amendments to the Redevelopment Dissolution Act.

AB1x 26 and AB 1484 have totally changed the financial architecture of the dissolved redevelopment agency of the City of Carson. Staff has crafted the budget in accordance with the provisions of the Assembly Bills. The Carson Successor Agency is being requested to review and consider the fiscal year 2013/14 proposed budget, attached to this report as Exhibit nos. 2 and 3.

II. RECOMMENDATION

REVIEW and CONSIDER the FY 2013/14 Carson Successor Agency Fund budget.

III. ALTERNATIVES

TAKE any other action the Carson Successor Agency deems appropriate.

IV. BACKGROUND

On December 29, 2011, the California Supreme Court upheld Assembly Bill (AB) 1x 26 that provided for the dissolution of all redevelopment agencies in the State of California. The Carson Successor Agency (CSA) which replaced the dissolved Carson Redevelopment Agency (CRA) is a separate public agency now charged with winding down the CRA's affairs, including making payments due for enforceable obligations. AB1x 26 placed restrictions to the remaining assets of the dissolved redevelopment agency and the successor agency established by the City of Carson. Subject to the control of the Oversight Board, the remaining assets can only be used to pay enforceable obligations in existence as of February 1, 2012, the date of the dissolution, including the completion of any unfinished projects

that were subject to legally enforceable contractual commitments. The Bill set forth a process for each agency to report the enforceable obligations on the Recognized Obligation Payment Schedule or ROPS covering the first and second 6-month period of each fiscal year. The Carson Successor Agency has submitted ROPS, approved by the Oversight Board, for the periods covering July to December 2013 and will submit the ROPS for January to June 2014 sometime in September 2013. The attached budget is largely based upon the ROPS information submitted to the California Department of Finance (DOF) and the County Auditor-Controller (CAC). It should be noted that the only revenue source of the CSA is the Redevelopment Property Tax Trust Fund (RPTTF) which is disbursed to the Successor Agencies by the County Auditor Controller semi-annually. The amount of RPTTF to be received does not rely solely on the approved enforceable obligations but also take into account the available property tax revenues, net of the pass through obligations. Administrative cost of the Successor Agency is limited to 3% of the approved RPTTF, or \$250,000.00, whichever is higher.

The proposed budget outlines a spending plan for the unspent balances of the then Carson Redevelopment Agency Bond funds. The bond funds will be used to complete major infrastructure and facilities projects within the City boundaries.

There are elements of the redevelopment dissolution process which remain unclear, and there are those that are subject to future legislative or court clarification. Using the guidelines stipulated under AB1x 26 and AB 1484 as it is now understood, staff prepared the attached budget for the CSA for Fiscal Year 2013/14.

V. FISCAL IMPACT

The proposed FY 2013/14 budget establishes the spending plan for the Carson Successor Agency prepared in accordance with the intent of AB1x 26 and AB 1484 such as, the fulfillment of enforceable obligations and the completion of unfinished community development projects.
