WELCOME TO THE 2025 SPRING CARSON REPORT & COMMUNITY SERVICES GUIDE

This publication is published quarterly by the City of Carson's Public Information Office. Learn about Carson's latest news, current events in the community, highlights about City projects and a variety of important local issues. You will also find a schedule of information on various leisure time activities, classes, events and services for everyone.

CITY OF CARSON POSITION STATEMENT

Carson is a vibrant city with a small town atmosphere where relationships are important. This is clearly visible throughout the community, from the stable single family neighborhoods, which make up nearly 80% of the city's residences, to the partnership between businesses and volunteer driven agencies which strengthen the city's remarkable social fabric.

Carson's community is a dynamic microcosm of California's rich diversity, capturing its wide-ranging cultural and social spectrum within our close-knit community. It is a city with a balanced ethnic and cultural mix living together in harmony and prosperity. The community takes pride in the large percentage of Carson students who attend college, many to California State University, Dominguez Hills, a valuable asset to the city.

Carson's strategic position in the heart of the powerful economic engine that is Southern California attracts international corporations which recognize the city's bright future. The city's proximity to the West Coast's two major ports, as well as its intersection by four Southland freeways, makes it a major gateway to the Pacific Rim.

We, the people who live and work in Carson, take pride in our city and will continue to build relationships which ensure that future.

A MESSAGE FROM CITY MANAGER DAVID C. ROBERTS, JR.

Dear Carson Community,

Spring is a time for growth. It is a time when seedlings that were planted in the winter begin to sprout and plants begin to grow again. Carson is also in a spring season of growth and the plans that we put into place last year are beginning to take shape. I am thrilled to welcome you all to a new season of growth and renewal in our beloved city of Carson.

Over the past year, our Carson community has achieved remarkable milestones, and we're proud of the progress we've made together through the leadership of our Mayor and Council. From expanding our local businesses to enhancing public safety, Carson continues to be a shining example of resilience and innovation as the Jewel of the South Bay.

We warmly invite each and every one of you to join us for the State of the City address on March 20, 2025. It's a fantastic opportunity to celebrate our accomplishments, learn about upcoming projects, and engage with your local government. This highly anticipated event will showcase and unveil things that will be coming to Carson for the first time in its history.

We're also excited to share that construction is currently underway at the Carson Event Center and Carriage Crest Park. These projects will bring modern amenities, and beautiful spaces for all to enjoy. Additionally, renovations at City Hall and the Council Chambers are in progress, ensuring our facilities meet the needs of our growing community.

Stay tuned for more updates, and let's continue to make Carson a vibrant place to live, work, and play. Wishing you all a wonderful spring season!

Warm regards,

David C. Roberts, Jr.

SHERIFF'S CORNER

BY CAPTAIN ALISE NORMAN

The city of Carson was first incorporated in 1968, during that time patrol services were handled by Firestone Station, which was 16 miles away. In 1972, the construction began for the 16th station in the Los Angeles Sheriff's Department history. At this time, "Carson Station" was created. The newly modeled flagship for the Sheriff's Department was completed in 1974, and the first patrol deputies went "10-8" on September 16, 1974, servicing the areas of Carson and unincorporated Rancho Dominguez, Torrance, and Harbor City.

Fast-forward fifty years from October 23, 1974, when the station was first dedicated, we proudly celebrated its 50th anniversary on October 23, 2024. To celebrate this huge milestone, a "Commemorative Brick Wall" was unveiled. The wall was dedicated to the sworn and civilian, men and women who have worked countless hours to ensure the safety of the community and each other.

Along with the bronze plaque, the wall significantly displays the names of our four fallen who tragically lost their lives in the line of duty while working at Carson Station. Deputy Walter Hannan, End of Watch May 3, 1978, Reserve Deputy Constance Worland, End of Watch May 2, 1981, Deputy Lawrence Lavieri, End of Watch March 19, 1983, and Chaplain Bruce Bryan, End of Watch June 18, 1994.

A bronze plaque hangs in the center of the wall with the inscription:

This wall honors the personnel who have been a part of Carson Sheriff's Station since its establishment in 1974. These brave, dedicated, honorable men and women have graciously served the citizens of Carson and the County of Los Angeles.

This commemorative wall was dedicated on October 23, 2024. Carson Sheriff's Station 50th Anniversary celebration.

The Carson wall commemorates the names of our seventeen Captains carefully selected to lead station personnel with compassion and integrity. It prominently identifies the first captain assigned in 1974, Captain Michael A. Logue to Carson's newly promoted Captain Alise Norman, making her the seventeenth unit commander to lead Carson Station.

In addition, it proudly bears the names of the board members of Carson Sheriff's Station Support Foundation (CSSF), from founding members in 2006 to our current dedicated and steadfast volunteers. Without the support of CSSF, many of the essential needs of Carson Station would remain unfulfilled.

During Carson Station's 50th year celebration, whether alumni, or current responders, we all gathered, reminisced and shared amazing stories. Woven together with the common thread of pride, and the love we share for Carson Station, our "Tradition of Service" continues. To those

who come before us, we humbly thank them for setting the standard of excellence, and for our future brothers and sisters, we encourage them to reach higher. Carson's commemorative wall bears the names of our righteous protectors and support staff warriors who have worked tirelessly to uphold the values of the Los Angeles County Sheriff's Department and Carson Station. As we look forward to the next 50 years, our dedicatory wall exemplifies the strength, spirit, and collective bond that we share and the honor that we uphold as Carson's unsung heroes.

Here's to many more years to come!

Happy 50th Anniversary
Carson Station!

Your Safety, Our Priority

The Public Safety Department is enhancing security in our parks with the installation of surveillance cameras, ensuring a safer environment for all visitors. With phase one successfully in place, we are now working on phase two, which will extend these safety measures to include mini parks throughout our city. This initiative aims to protect our community and provide peace of mind in every green space we enjoy.

There is an ordinance for RV owners?

Failure to obtain an RV permit could result in a daily administrative citation of \$250 and/or possibly of tow.

PUBLIC WORKS

ALL CITY REPAIRS STREET PROJECT

When is my street going to be repaired?

Please note that the citywide paving improvement is an ongoing multi-year maintenance program that will repair all streets in Carson. The project will require continuous scheduling. The work is being approached in a systematic manner that considers the many factors that can negatively impact the progress. This means that we must do our best to adhere to the schedule created by our staff and the city contractor. Please be assured that your street will also receive all needed maintenance as part of this citywide paving improvement.

We thank you in advance for your patience and mindfulness as we continue to tackle street repairs in all four districts simultaneously, keeping in mind that our goal is to make all city streets safe and accessible.

How will I know that street maintenance is happening in my area?

There will be "No Parking" signs posted throughout the project indicating the specific dates work will be performed in that area. The schedule and list of streets will be posted on the City's website and social media accounts. Electronic message boards will be posted at strategic locations throughout construction. City contractors will work with the Public Information Office to make sure information is provided to the affected residents. You can also call (310) 847-3535 to request additional information.

How did you determine which streets were priority?

The Pavement Condition Index (PCI) rated the condition of the streets in Carson. Staff identified the streets in each District that were rated as poor to kick-off this project.

How do I find information on the current street schedule?

If you have any questions or concerns about the Citywide Pavement Upgrade, please call City of Carson Public Works at (310) 847-3535 or for the latest information on the current street schedule please visit

PUBLIC WORKS

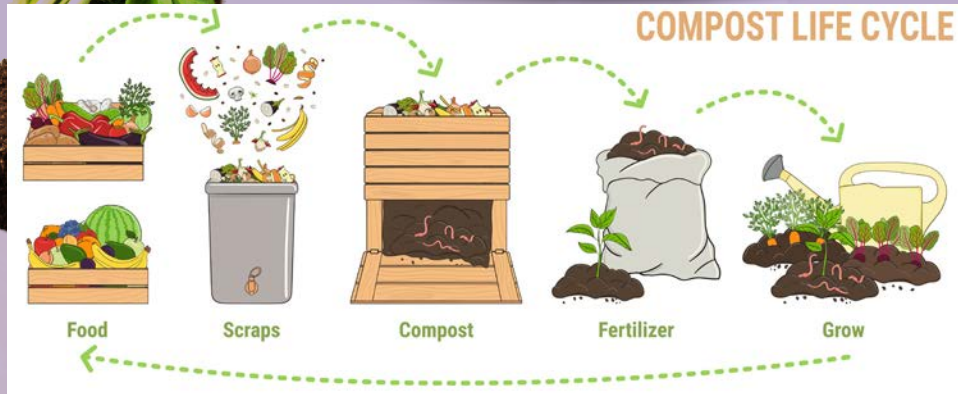

SB 1383 and Food Donation

Spring's Hot Topic

Did you know that SB 1383 requires recycling of organics?

California State Senate Bill 1383 (SB 1383) requires the reduction of organic waste disposed of in landfills. Organic waste is food scraps and food-soiled paper from kitchens and food operations, and yard waste such as garden and landscape waste and wood waste.

Food Donation in Action

The City of Carson's food generating businesses are required to pair up with food recovery organizations to donate edible food. Residents can also participate in donation efforts that help divert edible food from landfills and address food insecurity within our community.

Donate Back to Your Local Community

Local churches and organizations currently accepting donations:

- Glory Christian Fellowship (310) 538-9185
- Carson Hope Community Church (310) 834-3667

Note: Make sure to call in advance to make proper arrangements that work for you and the facility.

Enjoying the fruits of your labor...literally.

By turning your food scraps and green waste into compost we can transform our waste into a nutrient-rich soil amendment. These are nutrients that have been recycled back into our soil for us to enjoy the taste and health benefits.

As your garden springs back to life, adding compost during the Spring is a great way to help your garden grow.

PRO TIP: Add compost one to two weeks before you plan to plant.

Spring Cleaning Reminders

There are proper ways for disposal of bulky items that do not fit in trash carts.

Single family residents receive one (1) pickup of up to five (5) items per calendar quarter. Please ensure to call in advance to make sure your bulky item is removed on your schedule trash day.

Multi-family complexes receive one (1) free pickup of up to five (5) items per number of units per year. For example, a 3-unit building is eligible for 3 free pickups per year. There is a fee for additional pickups or items above the limits and residents will be billed directly as needed.

Did you know...

Commercial edible food generators are required to establish contracts and written agreements with food recovery organizations to ensure the maximum amount of edible food is recovered? Food recovery organizations and services vary in the amount and types of food they can receive. Commercial food generators are required to maintain records of their food donation activities.

Household Hazardous Waste (HHW)

Refers to leftover household products. These products include things like paints, cleaners, oils, batteries, and pesticides. These items should not be placed into your trash bins as they require special care during disposal. To properly dispose of these household products, they can be dropped off at S.A.F.E. Collection Centers. For a location near you call (800) 988-6942.

HELP KEEP CARSON CLEAN AND BEAUTIFUL: How does it work?

Although bulky item pickups can be scheduled in advance, hold on placing your bulky items curbside until the day before your scheduled collection day. Waste Resources hosts a Clean Environment Week every Spring and Fall that allows the pickup of four (4) bulky items, which do not count towards the quarterly limit. In addition to our E-Waste & Paper Shredding Event.

Waste Resources hosts a Clean Environment Week every Spring and Fall that allows the pickup of four (4) bulky items, which do not count towards the quarterly limit. In addition to our E-Waste & Paper Shredding Event.

What if items are too large for bulky item services?

Use temporary bin service or roll-off services to dispose of waste that cannot be safely lifted by two persons.

A bin or roll-off container is typically used for large household clean-up and junk/trash removal, remodeling/construction debris and clean-out, roofing and driveway replacements and large yard clean-up projects. Waste Resources has various size options to accommodate different jobs; anything from small remodeling/clean-up jobs up to large construction clean-up projects.

Spring Cleaning Projects Needs Can Vary for Everyone

CARSON WELCOMES IN-N-OUT

The highly anticipated opening of the City of Carson's first In-N-Out took place on Thursday, January 23, 2025. The Mayor, City Council and a small group of staff attended the soft opening. All were given a tour of the facility and enjoyed menu favorites.

The restaurant is located at 20512 S. Avalon Blvd. in the South Bay Pavilion parking lot. This is exciting news as it brings more employment opportunities to the city as well as a new option for those during the lunch and dinner rush.

Carson is proud that it is one of the four locations selected in Southern

California by In-N-Out. This location can seat 74 guests inside and over 30 guests in its outdoor covered patio.

In-N-Out is a staple to visit for those visiting from outside of California and the City of Carson is proud to provide another reason to be a destination city.

Do you know of a property that requires environmental clean up?

Help us transform Carson to its full potential (and enter into a chance to win a raffle!)

Property owners or developers may qualify for grants to assess and investigate contaminated or perceived to be contaminated land in the City. These properties are commonly referred to as brownfields. We need the public's help in locating these sites.

What are Brownfields? Brownfields are properties that may have or potentially contain the presence of a hazardous substance, pollutant or contaminants that can affect or pollute the soil, air, and water.

Where are the Brownfields? Brownfield sites are often vacant and underutilized properties previously used for industrial or commercial activities that may have resulted in contamination. Examples include a historic factory, closed gas station, open dump site or vacant lot.

What are the benefits of brownfield redevelopment?

Property owners who cleanup and reuse brownfields provide many benefits including:

- Decrease community exposure to hazardous substances
- Increase neighborhood property values
- Generate job growth and services via new development
- Create new places and spaces for the community

How can you help?

We are asking members of the public to help us locate brownfield sites by filling out a site nomination form. Once nominated sites are brought to our attention, our team will work with the eligible property owners to find brownfield grant funding to transform these sites to its full redevelopment potential. Completed nomination forms submitted to the City will be enroll in a raffle for a chance to win gift cards to local Carson businesses.

Fun Fact

Did you know that the Porsche Experience Center in Carson is a brownfield redevelopment project? The 53-acre site was a former landfill and was transformed to a regional destination landmark for the City. The project features driver development track with eight educational modules totaling 4.1 miles, a changing race car exhibit, and a fine-dining restaurant.

COYOTES SPRING INTO ACTION: PUPS ARE ON THE MOVE

During the springtime in Carson, California, coyotes are in their breeding and pup-rearing stages. This means they are more active and territorial as they hunt to provide for their young¹. Coyotes can pose a threat to pets, especially small dogs and cats.

To protect your pets, consider the following tips:

Keep pets indoors, especially at night when coyotes are most active.

Supervise pets while they are outside and keep them on a short leash.

Install coyote-proof fencing that is at least 6 feet tall and buried 18 inches underground. Remove potential food sources such as garbage, pet food, and fallen fruits from your yard.

Make loud noises or use a hose to scare away coyotes if you see them near your home.

By taking these precautions, you can help keep your pets safe from coyote encounters. Stay vigilant and report any aggressive coyote sightings

NAYS Coaches Training Program is the most widely used coaches training program in the nation. NAYS Coach Training Program is available online for coaches to complete at their convenience, and it's also offered on-site at most City parks. NAYS Parent Orientation Program is an education and membership program that supports youth sports parents, while helping youth sports organizations eradicate parent issues. NAYS Parent Orientation Program has set a standard for parent orientation programs by providing video-based training which offers a simple, effective way to make youth sports parents aware of their roles and responsibilities, as well as ways they can make their child's experience more enjoyable and positive. NAYS Parent Orientation Program training is mandatory upon registration. Children will not be able to participate in the program until the requirement is met.

EARLY CHILDHOOD EDUCATION

The Early Childhood Education Program is geared toward children ages 3-5. It utilizes the McGraw-Hill Education's "World of Wonders" curriculum, an engaging early childhood literacy program that builds strong pre-reading and social emotional skills. At the same time, the curriculum incorporates content areas like math, science, social studies, music, and movement. The program prepares children with the knowledge they need to enter kindergarten with confidence.

Our small class sizes create a positive learning environment. It also permits more personal time with each individual student. There is a great emphasis on sanitation in lunch, nap, and play areas.

Grupo De Apoyo De Duelo
Every 1st and 3rd Tuesday 11:00 a.m.-12:30 p.m.

CAREGIVER SUPPORT GROUP

Share feelings and receive support in a safe environment with others who are navigating the world of caregiving. This group is open to anyone taking care of a family member or friend. RSVP required. Every 1st and 3rd Thursday of each month 11:00 a.m. - 12:00 p.m. at the Carson Event Center.

GROWING THROUGH GRIEF

The loss of a partner is a tough journey, especially if you have children. Thinking about your mental health, the burnout, children's grief, decision making, finances, relationships, and support systems, can be challenging. Let's navigate this journey together. Every 3rd Tuesday of each month, 6:30 p.m. - 8:00 p.m. at Dolphin Park.

SENIOR STORYTELLING GROUP

Offered throughout the year in 8-week sessions, this is a welcoming special interest group for seniors. The meetings are held weekly for 90 minutes. Seniors are given a new topic of discussion each week where participants are each given time to tell their story. Topics evoke feelings, thoughts and lessons learned through life experience. In this shared space, seniors are able to learn from one another.

INFORMATION AND REFERRAL

Dedicated to assisting Carson senior residents age 60 and older by helping them help themselves. Focus is on providing information and referrals to individuals so they can age in place safely and with dignity.

SENIOR INFORMATION AND RESOURCE FAIRS

A senior focused, quarterly event bringing information and resources from the community all into one convenient place. Come talk to local vendors and community organizations about the latest resources and services available.

This open-air event includes a variety of representatives from community partners, as well as various city departments providing all of the up-to-date resources you need for yourself or family members. All are welcome, no RSVP necessary.

Interested vendors can email their request to irenteria@carsonca.gov.

EMERGENCY ALERT RESPONSE SYSTEM

In an effort to assist seniors with living independently in their own homes, the City provides Emergency Alert Response Systems to qualified residents living in Carson who are unable to afford the monthly expense. With the assistance of a contracted agency, Lifestation, a personal response unit can be connected to your landline in order to provide monitoring. An in-home assessment will be necessary to verify eligibility. For more information regarding this program, please call Ilene Renteria at (310) 952-1782, Ext. 1476.

FOOD AND MEAL ASSISTANCE

The YMCA offers daily congregate meals. Lunches are served Monday-Friday at 11:30 a.m. Meals on Wheels are also available. For more information, please contact Kimberly Cortado at (310) 835-0212, Ext. 1487.
