Dear Carousel Tract Residents and Homeowners,

The City of Carson cordially invites you to a city sponsored information workshop for the Kast investigations. The meeting will be held on **Wednesday, January 25, 2012 from 6:00 p.m. – 8:00 p.m.** at:

**Juanita Millender-McDonald Community Center
Dominguez Room

City staff and the Regional Water Quality Control Board (RWQCB) will provide information and an update to the recent investigations involving the Carousel neighborhood.

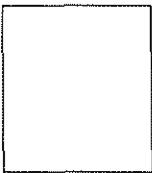

Residents are encouraged to submit their questions to city staff prior to the January 25, 2012 meeting so the RWQCB will have sufficient time to prepare an informative response.

We would appreciate receiving your questions by January 16, 2012. Questions received prior to the meeting will be addressed prior to any questions from the audience.

Thank you for your time and we hope you will join us at the information workshop on January 25, 2012.

Sincerely,

David Biggs
