

CITY OF CARSON
PLANNING COMMISSION
RESOLUTION NO. 07

**A RESOLUTION OF THE PLANNING COMMISSION OF THE
CITY OF CARSON APPROVING CONDITIONAL USE PERMIT
NO. 663-07 FOR AN AMBULANCE DISPATCH CENTER TO
OPERATE WITHIN THE ML (LIGHT MANUFACTURING) ZONE
DISTRICT LOCATED AT 1059 E. BEDMAR STREET**

**THE PLANNING COMMISSION OF THE CITY OF CARSON, CALIFORNIA,
HEREBY FINDS, RESOLVES AND ORDERS AS FOLLOWS:**

Section 1. An application was duly filed by the applicant, Michael Summers, with respect to real property located at 1059 East Bedmar Street, and described in Exhibit "A" attached hereto, requesting the approval of an ambulance dispatch center to operate in the ML (Light Manufacturing) zoned district.

Public hearings were duly held on July 10, 2007, at 6:30 P.M. at City Hall, Council Chambers, 701 East Carson Street, Carson, California. A notice of time, place and purpose of the aforesaid meeting was duly given.

Section 2. Evidence, both written and oral, was duly presented to and considered by the Planning Commission at the aforesaid meeting.

Section 3. The Planning Commission finds that:

- a) The proposed project is identified in the General Plan as a permitted use for this land use category subject to Conditional Use Permit approval. There is no specific plan for this area. The surrounding properties are developed with multiple-family dwellings to the north and light industrial uses to the east, south and west, and the proposed project is compatible with the neighborhood;
- b) The project is compatible in architecture and design with existing and anticipated development in the vicinity, including the aspects of site planning, land coverage, landscaping, appearance and scale of structures and open spaces and other features relative to a harmonious and attractive development of the area;
- c) The projects off-street parking area is developed with 60 parking spaces, which meets the off-street parking requirements and circulation on the adjacent public street will not be adversely impacted;
- d) There are two signs intended for the proposed project site, a wall and a monument company identification sign. The proposed signs comply with Zoning Ordinance requirements;
- e) The proposed project conforms to all applicable design standards and guidelines that have been adopted pursuant to Section 9172.15 of the Carson Municipal Code;

- f) The proposed ambulance dispatch center meets the goals and objectives of the General Plan and is consistent with applicable zoning and design regulations. All of the required findings pursuant to Section 9172.23(d), "Site Plan and Design Review, Approval Authority and Findings and Decision" can be made in the affirmative.

Section 4. The Planning Commission further finds that the use permitted by the proposed Conditional Use Permit will not have a significant effect on the environment. The proposed use will not alter the predominantly light industrial character of the surrounding area and meets or exceeds all City standards for protection of the environment. Therefore the proposed project is found to be categorically exempt under the CEQA Guidelines, Section 15321.

Section 5. Based on the aforementioned findings, the Commission hereby grants Conditional Use Permit No. 663-07 with respect to the property described in Section 1 hereof, subject to the conditions set forth in Exhibit "B" attached hereto, and approves the categorical exemption.

Section 6. The Secretary shall certify to the adoption of the Resolution and shall transmit copies of the same to the applicant.

Section 7. This action shall become final and effective fifteen days after the adoption of this Resolution unless within such time an appeal is filed with the City Clerk in accordance with the provisions of the Carson Zoning Ordinance.

PASSED, APPROVED AND ADOPTED THIS 10th DAY OF July, 2007.

CHAIRMAN

ATTEST:

SECRETARY
