I. Introduction

On October 22, 2013, at the request of the Planning Commission, a workshop was held to present general conditions of approval for development projects. At the meeting, the Planning Commission requested ways to differentiate general conditions from specific conditions that are applied on a case-by-case basis. The purpose of this workshop is to provide an update to the Planning Commission.

II. Background

Conditions may be imposed as deemed necessary to carry out the intent of the Carson Municipal Code (CMC) and to protect the health, safety, and welfare of the general public. Conditions are required to have a nexus between the project being proposed and the requirement of the conditions. Certain conditions of approval are general in nature and have been applied to individual projects routinely by the City of Carson. Other conditions are specific to a certain type of use or development. Depending on the nature of the use, the condition may regulate hours of operation, parking, screening, security measures, etc. Staff and the Planning Commission evaluate projects on a case-by-case basis so certain conditions that may be applicable for one project may be unnecessary or ineffective for another.

Also, many of the standard conditions restate the requirements found in the CMC. So although a condition is omitted, the requirement would still be applicable. For example, parking stalls for commercial parking are required to be 8½ feet wide by 18 feet deep and the driveway aisle must be a minimum of 26 feet wide. Staff does not typically include conditions to restate this requirement, but may if dimensions shown on a plan are incorrect and minor revisions are necessary. Even if conditions were not specified, the applicant is still required to meet these parking standards as they are a requirement in the CMC.

Staff has compiled a listing of standard conditions of approval and various other conditions of approval that have been applied to use and development projects. The purpose of the workshop is to provide an update to the Planning Commission regarding identifying general conditions, presenting common specific conditions, and differentiating general conditions from specific conditions of approval.

III. Recommendation

**STANDARD CONDITIONS
CARSON PLANNING DIVISION**

21	Precedence of Conditions. If any of the Conditions of Approval alter a commitment made by the applicant in another document, the conditions enumerated herein shall take precedence unless superseded by a Development Agreement, which shall govern over any conflicting provisions of any other approval.	All	Added by city attorney in 2013
22	City Approvals. All approvals by City, unless otherwise specified, shall be by the department head of the department requiring the condition. All agreements, covenants, easements, deposits and other documents required herein where City is a party shall be in a form approved by the City Attorney. The Developer shall pay the cost for review and approval of such agreements and deposit necessary funds pursuant to a deposit agreement.	All	Added by city attorney in 2013
23	Covenant, Conditions, and Restrictions (CC&Rs). Covenants, Conditions, and Restrictions (CC&Rs) shall be established for the project. The applicant or successor in interest shall pay for the cost of review and approval of the CC&Rs by the City Attorney. The CC&Rs shall provide for proper maintenance of the property and include other necessary conditions to carry out the terms herein, and shall be enforceable by City, and recorded prior to development of any parcels. An initial deposit of \$5,000 is required to cover processing costs. The applicant shall pay the cost for review and approval of such agreements and deposit necessary funds pursuant to a deposit agreement.	All	Added by city attorney in 2013
24	Deposit Account. A trust deposit account shall be established for all deposits and fees required in all applicable conditions of approval of the project. The trust deposit shall be maintained no deficits. The trust deposit shall be governed by a deposit agreement. The trust deposit account shall be maintained separate from other City funds and shall be non-interest bearing. City may make demands for additional deposits to cover all expenses over a period of 60 days and funds shall be deposited within 10 days of the request therefore, or work may cease on the Project.	All	Added by city attorney in 2013
25	Indemnification. The Applicant shall defend, indemnify and hold harmless the City of Carson, its agents, officers, or employees from any claims, damages, action, or proceedings against the City or its agents, officers, or employees to attack, set aside, void or annul, or in any way related to the approval of the City, its advisory agencies, appeal boards, or legislative body concerning Design Overlay Review No. _____ The applicant shall provide a deposit in the amount of 100% of the City's estimate, in its sole and absolute discretion, of the cost of litigation, including the cost of any award of attorney's fees, and shall make additional deposits as requested by City to keep the deposit at such level. The City may ask for further security in the form of a deed of trust to land of equivalent value. If the applicant fails to provide or maintain the deposit, the City may abandon the action and the applicant shall pay all costs resulting therefrom and City shall have no liability to the applicant.	All	Standard indemnification; for large projects see no. 26; bold text added or modified by city attorney in 2013

EXAMPLES OF SPECIFIC CONDITIONS CARSON PLANNING DIVISION

SECOND DWELLING UNITS	CONDITION	PERMIT
	1. A property inspection report was prepared by a qualified property inspector that includes plans to eliminate or mitigate any building, plumbing, electrical and fire code deficiencies. The deficiencies described in the property inspection report shall be eliminated or mitigated within 90 days. The Planning Division shall inspect the property for compliance with the corrective measures. An extension of time to complete necessary corrective measures may be granted for up to an additional 90 days, subject to the discretion of the Planning Division.	CUP
	2. Per Section 9125.6.8 (L)(1) of the Carson Municipal Code, the applicant shall submit a deed restriction stating that:	
	a. The second dwelling unit shall not be sold separately.	
	b. The second dwelling unit is restricted to the maximum size allowed per the development standards.	
	c. The restrictions shall be binding upon any successor in ownership of the property and lack of compliance shall void the approval of the unit and may result in legal action against the property owner.	
	3. The property owner shall consent to an inspection of the interior and exterior of all buildings upon receipt of a written request by the city in order to determine compliance with these conditions and applicable Carson Municipal Code requirements.	
	4. The property owner shall be required to record a deed restriction for a parcel merger with the County Recorder's Office within 90 days of receiving approval by the Planning Commission. The deed restriction shall state that if the property owner agrees to sell the dwellings prior to the completion of a city initiated parcel merger the property owner will be responsible for the completion of the parcel merger of their property prior to the close of escrow. In lieu of this condition, the property owner may merge the parcels at his/her own cost and effort. Proof of recordation of a lot merger shall be provided to the city within 90 days of Planning Commission approval.	
	5. The fence in the required front yard shall not exceed a height of three and one-half feet (3½'). The existing over-height fence located in the front yard shall be removed or made conforming within 90 days of Planning Commission approval.

EXAMPLES OF SPECIFIC CONDITIONS CARSON PLANNING DIVISION

	6. Any expansions to the primary and/or second dwelling unit will constitute as an intensification of use and the nonconforming parking privilege will no longer be continued. Two two-car covered parking spaces will be required prior to the approval of any expansions to the primary or second dwelling unit including but not limited to the addition of bedrooms, other habitable areas, and additional square footage.	
	7. The garage interior shall remain clear to facilitate garage parking.	
AUTO REPAIR		CUP
	1. The property owner and/or tenant shall comply with the city's standard requirements for a business license prior to the transferring of an existing or establishment of a new auto repair business. The Planning Division shall review any business license application to ensure the new use does not result in a substantial change from the current auto repair use. Substantial changes shall require authorization of a modification of conditions from the Planning Commission prior to the approval/issuance of the business license.	
	2. All operations such as work or repair on vehicles must be conducted on-site, not visible to the public. The applicant is permitted to conduct work under a permitted canopy, not visible to the public for twelve (12) months or when an enclosed building for auto repair is constructed, whichever date is first.	
	3. All damaged or wrecked vehicles awaiting repair shall be effectively screened so as not to be visible from surrounding property or from any adjoining public street or walkway.	
	4. All repair activities shall be confined to the hours between 7:00 a.m. to 9:00 p.m. daily.	
	5. No auto repair activities are permitted in areas visible to the public.	
	6. All display and storage shall be located within an enclosed building. Vehicles awaiting service may be parked in an unenclosed area for a period not to exceed seventy-two (72) hours.	
	7. Prevent storm water pollutants of concern such as oil and grease, solvents, car battery acid, coolant and gasoline from entering into the storm water conveyance system.	
	8. Avoid hosing down work areas. If work areas are washed, collect and store wash water and dispose appropriately, according to state law. Use dry sweeping if possible.	
	9. Designate a special area to drain and replace motor oil, coolant, and other fluids, where there are no connections to the storm drain or the sanitary sewer, and drips and spills can be easily cleaned up.	

EXAMPLES OF SPECIFIC CONDITIONS **CARSON PLANNING DIVISION**

	10. Post signs at sinks to remind employees not to pour wastes down drains.	
	11. The owner/applicant shall provide for public use storage tanks to hold used automotive oil for recycling purposes in accordance to industry "Best Management" practices. The Planning Division shall approve the location for company "used oil recycling" services.	
	12. In accordance with Ordinance No. 04-1322, the applicant has provided a property inspection report for the site which identify potential plumbing, electrical and fire code deficiencies. The report also includes plans to eliminate or mitigate any deficiencies identified. The mitigation measures in such report shall be hereby incorporated in these conditions of approval within 120 days permitted to allow for the mitigation measures, if any, to be completed subject to the Planning Division's review and approval.	
ARCADE / INTERNET CAFE	CUP	
	1. Hours of operation shall be limited to between 10:00 a.m. to 10 p.m. The Planning Commission may consider extended hours of operation based upon guidance from the Sheriff's Department.

**EXAMPLES OF SPECIFIC CONDITIONS
CARSON PLANNING DIVISION**

	<p>2. The subject church shall limit assembly use of 25 or more participants to Sundays only. Otherwise, special events involving assembly use of 25 or more participants (i.e. funerals, weddings, etc.) shall be authorized by the Planning Division at least five (5) days prior to the event and shall be subject to a determination that sufficient parking is available.</p>	
	<p>3. Within 30 days from the Planning Commission approval or prior to initiating the occupancy of the church, whichever occurs first, the applicant shall submit a legal instrument approved by the Director as to form and content that shows evidence that there is no substantial conflict or overlap in the principal operating hours of the buildings or uses for which the shared parking facilities are proposed prior to issuance of the Certificate of Occupancy.</p>	
	<p>4. A copy of the executed shared parking agreement shall be provided to the Planning Division prior to issuance of an occupancy permit. The shared parking agreement shall run in perpetuity so long as the church continues to operate. _____ spaces located on the property shall be made available to the church on weekdays after 8 p.m., and on Sundays. Additional times may be made available during special events as agreed upon by the two parties and may be used for special events subject to Planning Division approval.</p>	
	<p>5. Church patrons shall be notified of the requirement to park at the shopping center if onsite parking is unavailable. Church patrons shall be discouraged from parking on nearby streets. If patrons cause a parking impact within the adjoining residential neighborhood, the Planning Division shall determine effective corrective actions, including but not limited to, requiring the church to designate a parking monitor. Failure to adequately control use of designated parking may result in the revocation of this permit or placement of limitations on the use and occupancy of the subject church and school building. The Planning Division shall refer this permit to the Planning Commission for review if there is a need to consider revocation or modification to these conditions of approval.</p>	
	<p>6. The hours of operation of any assembly use of 25 or more participants within the building shall be limited to weekdays after 8:00 p.m. and Sundays.</p>

	10. The condominium project shall conform to all the development standards as outlined in Section 9128.15 of the Zoning Ordinance, unless otherwise provided for in this approval.	
	11. The multi-family project shall conform to all the development standards as outlined in Section 9128.54 of the Zoning Ordinance, unless otherwise provided for in this approval.	
	12. The Declaration of Covenants, Conditions and Restrictions shall be provided for as outlined in Section 9128.17 of the Zoning Ordinance and submitted to the Planning Division for review and approval.	
	13. All air conditioners shall be located interior to the building.	
	14. All Conditions of Approval shall be contained within the CC&Rs.	
	15. All alleys shall be of concrete material.	
	<u>QUALITY ASSURANCE (CONDOMINIUMS ONLY)</u>	
	16. Notwithstanding any other requirements, including those of other agencies, the developer shall comply with the following quality assurance conditions:	
	a. The developer shall provide for increased capitalization of the project's homeowners association by establishing with the association a cash reserve as follows:	
	i. \$250 per unit, but not less than	
	ii. \$3,000 for 10 or fewer units	
	iii. \$5,000 for 11 or greater units.	
	b. For projects of less than 20 units, the developer shall provide the homeowners association with independent professional management services for a period of one year from the date 51 percent of the project's units have closed escrow. In the event the developer maintains a professional management services staff for purposes of establishing homeowner's associations, the developer may request approval of the Planning Division to substitute their owner service for the required independent professional management services. Such substitution must be made in writing with such supporting documentation as the General Manager may deem appropriate in order to ensure that the developer's services are equivalent to independent services. The developer's request must be made in sufficient time to allow the projects' CC&Rs to reflect the approach to management services which will be provided.	

EXAMPLES OF SPECIFIC CONDITIONS **CARSON PLANNING DIVISION**

	c. For projects of 20 units or greater, the developer shall establish the project's homeowners association utilizing independent professional management services.	
	d. Compliance with conditions a, b, and c above shall be reflected in the project's CC&Rs as approved by the City Attorney's office.	
	e. Prior to the issuance of any occupancy permits, the developer shall deposit into a three-party escrow account a cash deposit for purposes of project quality assurance. The amount of the deposit shall be as follows:	
	i. \$2,000 per unit for the first 10 units	
	ii. \$1,000 per unit for units above 10	
	iii. The escrow account deposit shall be retained for a period of two years from the date of closing of the last purchase escrow or until such time as all warranty work and/or corrective work has been satisfactorily completed. The parties to the escrow account shall consist of the developer, the project's homeowners association, and the City of Carson. Disbursements from the escrow account may be made upon mutual agreement of two of the three parties. Closure of the escrow may only take place as noted above with mutual agreement of two of the three parties at which time any remaining funds shall be returned to the developer.	
	f. The developer shall offer a minimum two-year unconditional normal use new home warranty to all first time buyers, including the project's association in the case of common facilities. The new home warranty shall have the effect of extending the manufacturers' warranties to two years.	
	g. The developer shall be responsible for facilitating all warranty repairs during the new home warranty period.	
	h. All exterior fixtures and equipment used in the project shall be quality grade intended for heavy-duty "commercial-type" applications.	
	i. All landscaped areas of the project shall be subject to the posting of a separate landscape viability assurance bond in conjunction with final approval of landscaping and irrigation plans by the Planning Division.	
	j. The City's Building and Safety Division may impose such additional requirements over and above standard code requirements as may be deemed necessary in order to ensure the integrity of the following systems: waterproofing; grading and compaction; site drainage; paving; and common area equipment.	

EXAMPLES OF SPECIFIC CONDITIONS
CARSON PLANNING DIVISION

	k. The property shall be maintained in good order at all times. If said property is not maintained, the City of Carson shall have the ability to make an assessment of the property and direct all subsequent costs of clean up or improvements to the developer.	
	17. The applicant shall pay \$ _____ in park and recreation fees prior to obtaining a building permit.	
MIXED USE BUILDINGS	1. Noise resulting from conduct of work within the commercial spaces shall be muffled so as not to become disruptive to residential units above or the surrounding neighborhood due to volume, tone, intermittence, frequency or shrillness.	DOR/CUP
	2. Every use shall be operated in such a manner that it does not emit an obnoxious odor or fumes beyond the commercial space.	
	3. Every use shall be operated in such a manner that it does not emit smoke into the atmosphere.	
	4. Every use shall be operated in such a manner that it does not emit any dust or dirt into the atmosphere.	
	5. Permanent exterior security grills shall not be permitted. Roll down security grills that conceal storefront windows are strongly discouraged. Interior security grills must recess completely into pockets that conceal the grill when it is retracted. Roll-down security grills and housings must be completely concealed from the street by awnings or canopies. Security grills should not be visible during hours of operation.

CONDITIONS OF APPROVAL
DESIGN OVERLAY REVIEW NO. 7777-13
VESTING TENTATIVE TRACT MAP NO. 77777

GENERAL CONDITIONS

1. If a building permit for Design Overlay Review No. 7777-13 and Vesting Tentative Tract Map No. 77777 are not issued within one year of their effective date, said permits shall be declared null and void unless an extension of time is previously approved by the Planning Commission.
2. The final map shall be recorded with the County Recorder within two years of the Planning Commission's approval of the tentative map, unless an extension is granted.
3. Each extension of Vesting Tentative Tract Map No. 7777-13, provided for in the Subdivision Ordinance, must be secured from the Planning Commission prior to expiration of this map.
4. Each extension of this map, provided for in the Subdivision Ordinance, must be accompanied by an extension of Design Overlay No. 7777-13. All extensions must be secured from the Planning Commission prior to expiration of the map.
5. Design Overlay No. 7777-13, shall be declared null and void after one year of the date of approval unless an extension of time is requested prior to expiration and approved by the Planning Commission.
6. The approved Resolution, including the Conditions of Approval contained herein, and signed Affidavit of Acceptance, shall be copied in their entirety and placed directly onto a separate plan sheet behind the cover sheet of the development plans prior to Building and Safety plan check submittal. Said copies shall be included in all development plan submittals, including any revisions and the final working drawings.
7. The applicant shall submit two complete sets of plans that conform to all the Conditions of Approval to be reviewed and approved by the Planning Division prior to the issuance of a building permit.

8. The applicant shall comply with all city, county, state and federal regulations applicable to this project.
9. The applicant shall make any necessary site plan and design revisions to the site plan and elevations approved by the Planning Commission in order to comply with all the conditions of approval and applicable Zoning Ordinance provisions. Substantial revisions will require review and approval by the Planning Commission. Any revisions shall be approved by the Planning Division prior to Building and Safety plan check submittal.
10. The applicant and property owner shall sign an Affidavit of Acceptance form and submit the document to the Planning Division within 30 days of receipt of the Planning Commission Resolution.
11. Decision of the Planning Commission shall become effective and final 15 days after the date of its action unless an appeal is filed in accordance with Section 9173.4 of the Zoning Ordinance.
12. A modification of the conditions of this permit, including additions or deletions, may be considered upon filing of an application by the owner of the subject property or his/her authorized representative in accordance with Section 9173.1 of the Zoning Ordinance.
13. It is further made a condition of this approval that if any condition is violated or if any law, statute ordinance is violated, this permit may be revoked by the Planning Commission or City Council, as may be applicable; provided the applicant has been given written notice to cease such violation and has failed to do so for a period of thirty days.
14. Precedence of Conditions. If any of the Conditions of Approval alter a commitment made by the applicant in another document, the conditions enumerated herein shall take precedence unless superseded by a Development Agreement, which shall govern over any conflicting provisions of any other approval.
15. City Approvals. All approvals by City, unless otherwise specified, shall be by the department head of the department requiring the condition. All agreements, covenants, easements, deposits and other documents required herein where City is a party shall be in a form approved by the City Attorney. The Developer shall pay the cost for review and approval of such agreements and deposit necessary funds pursuant to a deposit agreement.
16. Covenant, Conditions, and Restrictions (CC&Rs). Covenants, Conditions and Restrictions (CC&Rs) shall be established for the project. The applicant or successor in interest shall pay for the cost of review and approval of the CC&Rs by the City Attorney. The CC&Rs shall provide for proper maintenance of the property and include other necessary conditions to carry

out the terms herein, and shall be enforceable by the City, and recorded prior to development of any parcels. An initial deposit of \$5,000.00 is required to cover processing costs. The applicant shall pay the cost for review and approval of such agreements and deposit necessary funds pursuant to a deposit agreement.

17. **Deposit Account.** A trust deposit account shall be established for all deposits and fees required in all applicable conditions of approval of the project. The trust deposit shall be maintained with no deficits. The trust deposit shall be governed by a deposit agreement. The trust deposit account shall be maintained separate from other City funds and shall be non-interest bearing. City may make demands for additional deposits to cover all expenses over a period of 60 days and funds shall be deposited within 10 days of the request therefore, or work may cease on the Project.
18. **Indemnification.** The Applicant shall defend, indemnify and hold harmless the City of Carson, its agents, officers, or employees from any claims, damages, action, or proceeding against the City or its agents, officers, or employees to attack, set aside, void or annul, or in any way related to the approval of the City, its advisory agencies, appeal boards, or legislative body concerning Design Overlay Review No. 7777-13, and Vesting Tentative Tract Map No. 77777. The applicant shall provide a deposit in the amount of 100 percent of the City's estimate, in its sole and absolute discretion, of the cost of litigation, including the cost of any award of attorney's fees, and shall make additional deposits as requested by the City to keep the deposit at such level. The City may ask for further security in the form of a deed of trust to land of equivalent value. If the applicant fails to provide or maintain the deposit, the City may abandon the action and the applicant shall pay all costs resulting therefrom and the City shall have no liability to the applicant.

AESTHETICS

19. Texture treatment (such as rough stucco, sandblasting, etc.) shall be incorporated into building facades, subject to the Planning Division approval.
20. There shall be no deviation of architectural design or details from the approved set of plans. Any alteration shall be first approved by the Planning Division.
21. Down spouts shall be interior to the structure or architecturally integrated into the structure to the satisfaction of the Planning Division.
22. Any roof-mounted equipment shall be screened to the satisfaction of the Planning Division.
23. Incorporate additional landscaping to screen and block specific project areas that could be subject, as determined by the Planning Division, to graffiti.

24. Graffiti shall be removed from all areas within three (3) days of written notification by the City of Carson, including graffiti found on perimeter walls and fences. Should the graffiti problem persist more than twice in any calendar year, the matter may be brought before the Planning Commission for review and further consideration of site modification (i.e. fencing, landscaping, chemical treatment, etc.)
25. The proposed project site shall be maintained free of debris, litter and inoperable vehicles at all times. The subject property shall be maintained to present an attractive appearance to the satisfaction of the Planning Division.
26. Prior to Issuance of building permit, the specification of all colors and materials must be submitted and approved by the Planning Division.

FENCE/WALLS

27. Perimeter walls shall be architecturally coordinated with the project building and subject to the approval of the Planning Commission.
28. Where walls are used, they shall be of decorative material to include stucco block, slump stone or split face.
29. Chain-link fencing, including barbed and concertina wire, shall be removed. Decorative wrought iron fencing or a wall shall be used as a replacement if necessary.

LANDSCAPE/IRRIGATION

30. Comply with the provisions of Section 9168 of the Zoning Ordinance, "Water Efficient Landscaping."
31. Landscaping shall be provided with a permanently installed, automatic irrigation system and operated by an electrically-timed controller station set for early morning or late evening irrigation.
32. The proposed irrigation system shall include best water conservation practices.
33. Installation of 6" x 6" concrete curbs are required around all landscaped planter areas, except for areas determined by National Pollutant Discharge Elimination System (NPDES) permit or other applicable condition of approval that requires certain landscaped areas to remain clear of concrete curbs for more efficient storm water runoff flow and percolation. Revised landscaping and irrigation plans shall be reviewed and approved by the Planning Division should subsequent modifications be required by other concerned agencies regarding the removal of concrete curbs.

34. Installation, maintenance, and repair of all landscaping shall be the responsibility of the property owner.
35. Prior to Issuance of Building Permit, the applicant shall submit two sets of landscape and irrigation plans drawn, stamped, and signed by a licensed landscape architect. Such plans are to be approved by the Planning Division.
36. *Grape Myrtle trees shall be planted within the parkway adjacent to the subject property along S. Figueroa Street.*

LIGHTING

37. All exterior lighting shall be provided in compliance with the standards pursuant to Section 9147.1 of the Zoning Ordinance.
38. Such lights are to be directed on-site in such a manner as to not create a nuisance or hazard to adjacent street and properties, subject to the approval of the Planning Division.

PARKING

39. All parking areas and driveways shall remain clear. No encroachment into parking areas and/or driveways shall be permitted.
40. All areas used for movement, parking, loading, or storage of vehicles shall be paved and in accordance with Section 9162.0 of the Zoning Ordinance.

SIGNS

41. Business signs and sign structures shall be permitted in conformance with development plans which have been approved pursuant to the Site Plan and Design Review procedures (including the number of signs and sign structures to be permitted) as provided in Section 9172.23 of the Zoning Ordinance.
42. All permitted business signs must be in compliance with the provisions of Section 9146.7 of the Zoning Ordinance.

TRASH

43. Trash collection shall comply with the requirements of the City's trash collection company.
44. Trash enclosures shall measure a minimum of fourteen (14) feet wide by six (6) feet deep as required by the City's trash collection company.
45. The trash enclosure and recycling area shall be located on a four inch concrete pad screened by a six foot high decorative concrete block wall that is compatible with the architectural design of the main building. A painted metal,

self-closing door shall be used for enclosing the entrance to the trash and recycling areas.

46. Recycling areas shall be provided in accordance with Sections 9164.4 and 9164.5 of the Zoning Ordinance. The number and size of recycling facilities are subject to the Planning Division.
47. Prior to Issuance of Building Permit, the trash and recycling area enclosure design is to be approved by the Planning Division.

UTILITIES

48. All utilities and aboveground equipment shall be constructed and located pursuant to Section 9146.8 of the Zoning Ordinance, unless otherwise provided for in these conditions.
49. Public utility easements shall be provided in the locations as required by all utility companies with easements free and clear of obstructions, and electrical utilities shall be installed underground.
50. The applicant shall remove at his/her own expense any obstructions within the utility easements that would interfere with the use for which the easements are intended.
51. Any aboveground utility cabinet or equipment cabinet shall be screened from the public right-of-way by a decorative block wall or landscaping, to the satisfaction of the Planning Division.
52. *The applicant shall make available electrical charging outlets to accommodate electric vehicles. Any charging electric equipment shall be installed pursuant to the Los Angeles County Electrical Code.*

BUILDING AND SAFETY DIVISION

53. Submit development plans for plan check review and approval.
54. Obtain all appropriate building permits and an approved final inspection for the proposed project.
55. Prior to issuance of building permit, proof of worker's compensation and liability insurance must be on file with the Los Angeles County Building and Safety Division.

ENGINEERING SERVICES DEPARTMENT – CITY OF CARSON

General Conditions

56. Any existing off-site improvements damaged during the construction shall be removed and reconstructed per City of Carson standard plan and to the satisfaction of the City Engineer.
57. A construction permit is required for any work to be done in the public right-of-way.
58. Compliance with the applicable National Pollutant Discharge Elimination System (NPDES) requirements including best management practices to control storm water pollution from construction activities and facility operations.
59. A Final Map prepared by, or under the direction of a pre-1982 registered civil engineer or licensed land surveyor must be processed through the City Engineer prior to being filed with the County Recorder.

Prior to Issuance of Grading Permit

60. Submit a copy of approved grading plans on bond paper for review and obtain approval from the City of Carson Engineering Division.

Prior to Issuance of Building Permit

62. A Covenant and Agreement for an existing easement shall be recorded with the Los Angeles County Recorder's office. Said document shall indicate all easements.
63. Submit a copy of approved plans on mylars (*such as, Sewer, Street and/or Storm Drain Improvements, whichever applies*) for review and obtain approval from the City of Carson Engineering Division
64. Construction bond for all work to be done within the public right-of-way shall be submitted and approved by Engineering Services.
65. Submit improvement plans showing all the required improvements in the public right-of-way for review and approval of the City Engineer. A copy of the approved conditions of approval shall be attached to the plans submitted.
66. Provide proof of Worker's Compensation and Liability Insurance.
67. Submit drainage/grading plans prepared by a registered civil engineer to the satisfaction by the Los Angeles County Department of Public Works.

68. Submit for review and obtain approval of soils report, sewer area study, drainage concept, hydrology study and storm water quality plan. Building permit issuance will not be granted until the required soils, sewer, drainage concept, hydrology study and storm water information have been received and found satisfactory.
69. Required to comply with mitigation measures recommended in the approved soils, sewer area study, drainage concept, hydrology study and storm water quality plan.
70. Submit a sewer area study to the Los Angeles County Department of Public Works (LACDPW) to determine if capacity is adequate in the sewerage system to be used as the outlet for the sewer of this development. If the system is found to have insufficient capacity, the problem must be addressed and resolved to the satisfaction of the Los Angeles County Sewer Department.
71. Quitclaim or relocate any easements interfering with building locations to the satisfaction of the City, appropriate agency or entity.
72. All existing overhead utility lines less than 12 kilovolts shall be underground to the satisfaction of the City Engineer. Alternatively, at the City Engineer's discretion, the City may accept an in-lieu fee in an amount determined by the City Engineer to be sufficient to cover the costs of such underground provided the applicant deposits the full amount of the deposit of the in-lieu fee before the issuance of Building Permits. Undergrounding estimate shall be prepared by Southern California Edison and shall be submitted to the City Engineer for his determination.
73. All new utility lines, servicing the proposed development shall be underground to the satisfaction of the City Engineer.

Prior to Issuance of Certificate of Occupancy

74. Submit the approved off-site improvement plans electronically stored on a CD in AutoCAD format that is prepared by a licensed engineer.
75. Install separate sewer laterals to individually serve each building in the development. Installation and dedication of the main line sewers may be necessary to meet this requirement.
76. Comply with all requirements from L.A. County Sewer Maintenance Division for maintenance of new and/or existing sewer main, relating to this development, prior to release of all improvement bonds.
77. Provide to the City Engineer an executed written statement from the water purveyor indicating that the water system will be operated by the purveyor and

that under normal conditions, the system will meet the requirements for the development and that water service will be provided to each building.

78. Comply with mitigation measures recommended by the water purveyor.
79. Construct and guarantee the construction of all required drainage infrastructures in accordance with the requirements and recommendations of the hydrology study subject to the approval of the City Engineer.
80. Repair any broken or raised/sagged sidewalk, curb and gutter within the public right of way along Figueroa Street abutting this proposed development per City of Carson Standard and to the satisfaction of the City Engineer.
81. Replace any missing sidewalk areas located within the public right-of-way along Figueroa Street abutting this proposed development per City of Carson Standard and to the satisfaction of the City Engineer.
82. Remove and replace any broken/damaged driveway approach within the public right of way along Figueroa Street abutting this proposed development per City of Carson Standard and to the satisfaction of the City Engineer.
83. Modify existing driveways within the public right of way along Figueroa Street abutting this proposed development per City of Carson Standard to comply with the American Disability Act (ADA) requirements and to the satisfaction of the City Engineer.
84. Construct new driveway approaches per City of Carson Standard and in compliance with the American Disability Act (ADA) requirements. The Developer shall protect or relocate any facilities to accommodate the proposed driveway approach. The maximum driveway approach width allowed for the site is 30 feet.
85. Plant approved parkway trees on locations where trees in the public right of way along Figueroa Street abutting this proposed development are missing per City of Carson Standard Nos. 117, 132, 133 and 134.
86. Install irrigation system for the purpose of maintaining the parkway trees to be planted within the public right of way along Figueroa Street abutting this proposed development.
87. Install street lights (if required) on concrete poles with underground wiring in the public right-of-way along Figueroa Street abutting this proposed development to the satisfaction of the L.A. County Street Lighting Division, Department of Public Works. Contact Los Angeles County Department of Public Works (LACDPW) Traffic Lighting Jeff Chow (626) 300-4753.
88. Install striping and pavement legend per City of Carson standard.

89. If needed, easements shall be granted to the City, appropriate agency, or entity for the purpose of ingress, egress, constructions, and maintenance of all infrastructures constructed and American Disability Act (ADA) accessibility for this for this development to the satisfaction of the City Engineer and/or appropriate agency or entity.
90. Streets abutting the development, with new utility trench cuts to serve the development, shall be slurry sealed from curb-to-curb or from median-to-curb when medians are existing or as approved by the City Engineer. Slurry Seal materials shall be rubberized emulsion aggregate slurry (REAS)
91. All infrastructures necessary to serve the proposed development (water, sewer, storm drain, and street improvements) shall be in operation.

FIRE DEPARTMENT

92. The proposed light industrial office/warehouse development shall obtain approval and comply with all Los Angeles County Fire Department requirements (i.e. fire hydrant installations and fire flow requirements).
93. *The proposed "hammer head" turnarounds for accommodation of fire apparatus shall be painted "No Parking – Fire Lane" pursuant to the Los Angeles County Fire Department requirements.*

TRAFFIC ENGINEER – CITY OF CARSON

94. Submit plans for review showing the proposed red curbs and obtain approval. Paint curbs red along Figueroa Street within or abutting this proposed development (if applicable).

BUSINESS LICENSE

95. All parties involved in the subject project located at 18010 S. Figueroa Street including to but not limited to contractors and subcontractors are required to obtain a city business license per Section 6310 of the Carson Municipal Code.
