

City of Carson COVID-19 Update

Thursday, October 8, 2020

The coronavirus outbreak began in Wuhan, China, and has since spread across the globe impacting many countries including the United States. The first case of COVID-19 in the United States was reported on January 14, according to the Centers for Disease Control and Prevention (CDC).

To help keep the community informed, the City of Carson is providing COVID-19 news updates related to health and safety tips, and informational links to meet the needs of the community and protect public health.

To slow the spread of the coronavirus, public health officials urge residents to practice social distancing, wash their hands regularly, wear a face covering and stay home as much as possible and avoid the “Three C's”: Crowded places, Confined Spaces and Close Contact.

PLEASE NOTE THAT THE CITY OF CARSON MUST ADHERE TO ANY AND ALL ORDERS SET FORTH BY THE COUNTY OF LOS ANGELES AND THE STATE OF CALIFORNIA.
