Set the bags out next to your carts on your regular service day (please mark what's in the bags so they are properly handled). This will not count towards your limit of once per quarter or number of units per year.

Recycle (Blue Lid)

- Cartons
- Glass containers
- Metal cans and clean foil
- Paper, newspaper, magazines, phone books, envelopes, cardboard (flattened)
- Plastic bottles, tubs, jars

3 Easy Steps for Recycling Success!

Keep it Loose - bags can hold liquid that will ruin a recycling load

Keep it Dry - wet paper can't be recycled (put in green cart)

Keep it Clean - clean out any food residue

Trash (Black Lid)

- Broken glass and dishes
- Hoses, disposable gloves, hairnets
- Kitty litter, diapers, bagged pet waste
- Plastic cups, lids, utensils, straws, shrink/cling wrap
- Shoes, clothing, accessories, and toys that cannot be donated or sold
- Snack and chip bags, candy wrappers

Service Notes

- Place all carts curbside by **7:00 a.m.** on your regularly scheduled service day and **promptly remove carts** after service.
- Lid opening should face **toward the street** and carts placed **side by side** at least two feet (2') apart and three feet (3') from parked vehicles or objects.
- Lids should be **closed** and carts should not be **overfilled**. **This may cause spillage. The recovery of spilled items will be the responsibility of the resident.** For additional containers or service, please call our office or email us at carson@wasteresources.com.
- If your cart is unserviceable, your driver will leave a **warning notice** with a corrective action for the following week's collection.
- Additional **blue-lid** recycling and **green-lid** organics carts are available for **free**. There is a fee for additional **black-lid** trash carts.
- WR will tag recycling and organics carts that have too much trash in them.
- All material must be in containers. Any material outside of containers will not be collected - contact our office for an extra pickup.
- For safety reasons, WR drivers must remain inside their vehicles at all times.
- All waste containers must be accessible for service by the collection vehicles. Do not place your containers close to cars or structures.

Your Containers are NOT for:

- Appliances
- Construction materials, dirt, sand, stone, or concrete
- Lawn furniture
- Rubber tires, bulky items, or hazardous waste

Sharps Recycling Kit

Three easy steps to conveniently and responsibly dispose of needles, lancets, and other sharps:

Step 1: Call WR to request a **Free** Sharps Kit (container, pre-paid postage label, and form), which will be delivered to your home the following week.

Step 2: Fill the container with Sharps.

Step 3: Sign the form included in the side pocket of the kit and mail the container by using the pre-paid postage label provided.

Residents can get one **Free** Sharps Mail-Back Kit per calendar quarter, with additional kits available for a nominal charge. Limit one kit at a time.

Household Hazardous Waste (HHW), Batteries, Universal Waste, and Electronic Waste (E-Waste)

Household Hazardous Waste (HHW) and **Universal Waste (UW)** cannot be disposed of with household trash or recycling, down the drain, or by abandonment. HHW and UW must be disposed through the County's HHW program.

Visit 888cleanla.com for more information and for upcoming collection events, including weekend events in **San Pedro**.

E-Waste can be recycled through the **bulky item collection** program. Call WR to schedule a pickup.

Bulky Household Item Collection and Bin Service

Bulky items are any household items that do not fit in a residential cart, but can be lifted by two people. Examples include furniture, water heaters, appliances, mattresses, e-waste, and bulky yard waste. **Until further notice, all mattresses must be bagged and sealed before being set out for collection.** Mattress covers can be purchased at local hardware stores or you can wrap the mattress in plastic. If you bought a new mattress, the store may take back your old one. **Mattresses with bed bugs will not be collected. Loose trash will not be picked up.**

Items **not allowed** for bulky item collection include automobile bodies and parts, spas, gazebos, wood, construction waste, hazardous waste, or items which may not be safely handled and lifted by two persons.

To schedule a pickup, call WR up to seven (7) days in advance of your regular service day, by noon the day before (i.e., noon Tuesday for Wednesday pickup). You will need to describe the items that will be left on the curb for pickup.
