Subject: **Senior Discount Renewal Form**

Dear Carson Resident:

We're pleased to announce that the application period for the Senior Discounted Rate for solid waste collection services is now open. Since you currently receive the discount, you are eligible for renewal by mail, fax, or email.

The benefits of this renewal process include:

- Easy to complete renewal form;
- No documentation required; and
- No lines!

If nothing has changed, simply have the person who signed the application last year initial and sign the renewal. No documentation is required. We've provided you with a self-addressed, stamped envelope to make mailing easy and convenient.

Be sure to send in your renewal by May 15, 2021 so that your discount can be applied for next year. Failure to submit this renewal in a timely fashion may result in loss of the discount and a new application (with valid documentation) will need to be completed next year.

Due to ongoing COVID-19 concerns, there will be no in-person sign-up events this year. Please remember to mail, email, or fax your renewal form by the deadline in order to continue receiving the discount.
